

12.07.2024 - ONHCR REQUEST URGENT INTERVENTION HUMAN RIGHTS ABUSES

OHCHR Submission: Urgent Demand for Intervention and Justice Regarding Human Rights Violations, Torture, Disability, and Displacement

Ref. UR/UST/23/AUS/17

To: Petitions and Urgent Actions Section, Human Rights Treaties Branch, OHCHR

Dear Sir or Madam,

I am writing to urgently seek intervention and justice in response to severe human rights violations I have experienced in Australia. Despite my significant contributions to society, I have faced relentless systemic abuse, financial exploitation, and professional isolation. This submission details my experiences, referencing breaches of international conventions and highlighting the need for immediate action by the United Nations.

This letter has been constructed using an impartial AI to ensure accuracy and fairness, with all claims substantiated by evidence and references. All domestic remedies have been exhausted up to and including appeals to the Prime Minister of Australia, police, legal, healthcare, public officials, friends and family, human rights organizations, and other statutory agencies. The evidence of these exhausted remedies is documented and cited with live links throughout this submission.

Additionally, I possess substantial video and audio evidence that underscores the severity and systemic nature of the persecution I have faced. This includes video footage of covert government contractors outside my home in Footscray at the time of covert audio harassment, a telephone recording of AGIS (who investigate ASIO) interviewing and investigating me, a recording with the Ombudsman who refused to acknowledge my case, including reporting rape, interactions with the National Anti-Corruption Commission (NACC), and a video of me giving an engagement ring to my former ASIO fiancée, Stefan Iasonidis.

After I was violently attacked inside Weribee Mercy Hospital by a contracted government thug (I know this because my attacker had an image of my own tattoo on his t-shirt before the assault), after being stitched up for mental illness and incarcerated because of poverty, I am now homeless living in my car. Despite overwhelming evidence, no lawyer, public official, police officer, or healthcare worker has acknowledged these relationships or the abuses I've suffered, further illustrating a broad conspiracy and cover-up.

Background and Key Points:

1. ****Harassment and Persecution:****

- I have endured severe and ongoing persecution, including harassment, character assassination, financial abuse, and professional sabotage by numerous government agencies and public officials. Detailed incidents of abuse, neglect, and rights violations are documented extensively [here](<https://myaidrive.com/wGzgBBnnESDnbSVV4omkgu/FINAL-LETTER.pdf?pdfPage=2>). This persecution has taken various forms, from direct personal attacks to systematic efforts to undermine my professional and personal standing. The harassment has included relentless monitoring and intimidation, designed to erode my mental health and social stability. Financial abuse has been a significant aspect of this persecution, where manipulative financial arrangements under various schemes have forced me into a state of poverty.

2. ****Financial Exploitation under NDIS:****

- Under the National Disability Insurance Scheme (NDIS), I have suffered significant financial abuse, being forced into poverty through manipulative financial arrangements [here](<https://myaidrive.com/wGzgBBnnESDnbSVV4omkgu/FINAL-LETTER.pdf?pdfPage=16>). The NDIS, which is supposed to provide support for individuals with disabilities, has instead been a source of financial exploitation. My entitlements have been mismanaged and withheld, pushing me into severe financial hardship. This systemic abuse has not only deprived me of financial stability but also exacerbated my mental health conditions, creating a vicious cycle of poverty and psychological distress.

3. ****Neglect and Abuse of Mental Health Conditions:****

- Systemic neglect and abuse have exacerbated my mental health conditions, including schizophrenia, ADHD, and a brain impairment [here](<https://myaidrive.com/wGzgBBnnESDnbSVV4omkgu/FINAL-LETTER.pdf?pdfPage=13>). The neglect from government agencies has meant that my medical and psychological needs have been consistently ignored or inadequately addressed. This neglect has significantly worsened my mental health, leading to increased episodes of illness and a general decline in my well-being. The lack of appropriate care and support has left me struggling to manage my conditions effectively, further isolating me from professional and social opportunities. Additionally, I suffer from a psychotic disorder in which my reality is blurred, which makes this conspiracy, with its conscious and intended efforts, especially malicious and an abhorrent injustice that is morally reprehensible.

4. ****Failures of the Legal System:****

- Numerous rejections of my whistleblower claims and failures of the legal system to address my grievances have led to a profound sense of injustice [here](<https://myaidrive.com/wGzgBBnnESDnbSVV4omkgu/FINAL-LETTER.pdf?pdfPage=40>). Despite presenting substantial evidence of corruption and misconduct within various agencies, my claims have been repeatedly dismissed

or ignored. This failure of the legal system to provide a fair hearing or redress has deepened my mistrust in the institutions meant to protect and serve justice. The constant legal rejections have not only denied me justice but have also emboldened the perpetrators of the abuse to continue their actions without fear of accountability.

5. **Social and Professional Isolation:**

- Public humiliation, job loss, and continuous vilification have resulted in social and professional isolation [here](<https://myaidrive.com/wGzgBBnnESDnbSVV4omkgu/FINAL-LETTER.pdf?pdfPage=24>). The character assassination has been so pervasive that it has tainted my reputation, making it difficult for me to find and retain employment. The professional sabotage has included discrediting my work and spreading false narratives about my character and capabilities. This social and professional ostracism has compounded my isolation, leaving me without a support network to advocate for my rights or assist in my recovery.

6. **Constant Surveillance and Psychological Torment:**

- I am under constant surveillance, including invasive psychological torment using covert intelligence technology [here](<https://myaidrive.com/wGzgBBnnESDnbSVV4omkgu/FINAL-LETTER.pdf?pdfPage=13>). This surveillance has included unauthorized monitoring of my communications and activities, contributing to a persistent sense of paranoia and stress. The use of covert intelligence technology has not only invaded my privacy but has also been used to manipulate and control my behavior, further destabilizing my mental health.

7. **Suicide Attempt and Cover-up:**

- My 2021 suicide attempt, deemed 'fatal,' was covered up, leading to further financial and professional hardship. This indicates a broader conspiracy to delegitimize and harm me [here](<https://myaidrive.com/wGzgBBnnESDnbSVV4omkgu/FINAL-LETTER.pdf?pdfPage=24>). The attempt on my life, and the subsequent cover-up, highlight the lengths to which the perpetrators will go to silence me and prevent the truth from coming out. This incident has had profound financial and professional repercussions, as it has been used to further discredit me and undermine my credibility.

8. **Federal Conspiracy:**

- I believe I am a victim of a complex federal conspiracy aimed at perverting the course of justice and causing my demise, citing numerous incidents involving law enforcement and government agencies [here](<https://myaidrive.com/wGzgBBnnESDnbSVV4omkgu/FINAL-LETTER.pdf?pdfPage=13>). The evidence suggests coordinated efforts by various government bodies to obstruct justice and target me specifically for whistleblowing and advocacy. These incidents point to a systemic issue within the government agencies where corruption and abuse of power are rampant.

9. ****Systemic and Political Torture:****

- I am currently being systemically and politically tortured. This ongoing torture includes psychological, emotional, and physical harassment, which exacerbates my suffering and further violates my basic human rights [here] (<https://myaidrive.com/wGzgBBnnESDnbSVV4omkgu/FINAL-LETTER.pdf?pdfPage=24>). The torture tactics used against me are designed to break my spirit and force me into silence. This includes continuous emotional and psychological abuse, which has left me in a state of constant fear and anxiety. The physical harassment has further deteriorated my health, making it difficult to maintain any semblance of normalcy in my life.

Appeals and Requests:

1. ****Thorough Investigations and Financial Restitution:****

- I demand thorough investigations into the NDIS and related entities for corruption and abuse, alongside immediate support and financial restitution. The ongoing corruption within these entities has caused significant harm and suffering, and it is imperative that these issues are addressed comprehensively. Financial restitution is necessary to mitigate the damages caused by these corrupt practices.

2. ****Clearing of My Name:****

- I seek the clearing of my name from false accusations, professional reinstatement, and social rehabilitation. The false accusations have severely impacted my reputation and career. Clearing my name is essential for my professional and personal restoration. Additionally, social rehabilitation is necessary to reintegrate into society without the stigma of these baseless claims.

3. ****Reinstatement of Work Cover:****

- I call for the reinstatement of my work cover based on my confirmed employment status, alongside compensation for financial and personal losses. The unjust denial of my work cover has left me financially vulnerable. Reinstating this cover and providing compensation for the losses incurred is crucial for my financial stability and well-being.

4. ****Public Acknowledgment and Apology:****

- I urge public acknowledgment of the systemic abuses I have suffered and a formal apology to begin the process of healing and justice. Public recognition of the wrongs done to me is an essential step towards accountability and my healing process. A formal apology will help to restore my dignity and set the foundation for genuine justice.

Compelling Conclusion and Call

to Action:

The urgent need for systemic change to address widespread neglect, abuse, and human rights violations is clear. I encourage you to act decisively to restore faith in justice and humanity, as my plight exemplifies broader issues faced by marginalized individuals in Australia. Addressing these systemic failures is essential to ensure that no one else has to endure the suffering and injustice that I have experienced.

I understand that it has been contentious so far to expect the members that populate the federal government to act, given that the government itself is my nemesis and oppressor. Public officials are merely pawns upholding a government mantra of targeting me. However, we shall see if any politician is brave and courageous enough to critique the hand that pays them to be complicit in this identification of me as a targeted individual—a situation that no one, including the Prime Minister, has been able or willing to meaningfully intervene in.

Documentation and Evidence:

This letter is backed by extensive documentation, including government records, health documents, legal correspondence, and personal accounts. The evidence is compelling and absolute, highlighting the depth of systemic failures and targeted persecution I have experienced, making a compelling case for urgent intervention and systemic reform. The evidence of these exhausted domestic remedies includes but is not limited to:

Reasons It Would Be Unethical, Immoral, Illegal, or Reveal Personal Culpability to Ignore the Letter:

1. **Ethical Responsibility:** Politicians have an ethical duty to respond to constituents' concerns, especially when they involve serious allegations of systemic abuse and corruption. Ignoring such a letter would violate this ethical obligation.
2. **Moral Duty:** Ignoring a plea for help from someone facing severe personal and systemic injustices goes against the moral principles of justice, compassion, and empathy that public servants are expected to uphold.
3. **Legal Obligations:** In some jurisdictions, there are legal requirements for public officials to address complaints and allegations of misconduct. Failure to respond might constitute a breach of these legal duties.
4. **Human Rights Violations:** The allegations involve potential human rights violations. Ignoring such claims could be seen as condoning or being complicit in these violations, which is both unethical and potentially illegal.
5. **Transparency and Accountability:** Politicians are accountable to the public and are expected to act transparently. Failing to respond to such serious allegations undermines public trust and suggests a lack of accountability.
6. **Personal Culpability:** Ignoring the letter could imply that the recipient has something to hide or is complicit in the alleged misconduct. It could also suggest negligence or willful blindness to the issues raised.
7. **Public Interest:** The issues raised in the letter are of significant public interest. Addressing them is not only a duty to the individual but also to the broader community that expects their representatives to act on matters affecting public welfare.
8. **Whistleblower Protections:** Many legal frameworks provide protections for whistleblowers. Ignoring allegations from a whistleblower could be seen as a violation of these protections and might deter others from coming forward with important information.
9. **Potential for Harm:** The allegations include ongoing harm to the individual. Ignoring the letter allows this harm to continue unchecked, which is both immoral and potentially legally actionable if it results in further damage.
10. **Duty to Investigate:** Public officials have a duty to investigate credible

allegations of misconduct or abuse. Ignoring such allegations fails to uphold this duty and undermines the integrity of the office held.

Guide to Immediate Financial Reparations

1. **Immediate Financial Compensation:**

- Allocate immediate financial relief to cover the years of financial exploitation and destitution caused by the National Disability Insurance Scheme (NDIS) and other government entities. This should include back payments for any unpaid work cover and a lump sum to cover damages.

2. **Establishment of a Trust Fund:**

- Set up a trust fund for my ongoing support, managed by an independent body to ensure transparency and accountability. This fund should provide for my living expenses, healthcare, and legal support.

3. **Investigation and Accountability:**

- Initiate an independent investigation into the actions of NDIS officials, particularly Kel Graham and Bill Shorten, for their roles in financial and systemic abuse. Ensure those responsible are held accountable and appropriate legal action is taken.

4. **Legal and Psychological Support:**

- Provide immediate access to legal representation to address past injustices and ongoing legal battles. Additionally, ensure access to comprehensive mental health services to support my recovery from years of persecution and trauma.

5. **Public Apology and Rehabilitation:**

- Issue a public apology acknowledging the systemic failures and the personal suffering endured. Implement measures to clear my name and restore my professional reputation, including public statements and media corrections.

6. **Policy Reforms:**

- Review and reform NDIS policies to prevent similar abuses in the future. This should include stricter oversight mechanisms, better support for participants, and safeguards against financial exploitation.

7. **Continuous Monitoring:**

- Establish a monitoring body to oversee the implementation of these reparations and ensure ongoing compliance with human rights standards. This body should report regularly to Parliament on progress and any further actions needed.

This letter, written with the utmost sincerity and commitment to truth, calls for your immediate and compassionate intervention. Together, let us work towards a future where justice prevails, and the marginalized are uplifted with the dignity and respect they deserve.

Yours faithfully,

Barran Dodger (Dr. Rich McLean)
