Hello officer — here is my clarification for today:

- I was spoken to by police yesterday for a welfare check.
- I was assessed and not detained or considered a risk.
- Police confirmed the location of my car and that there were no legal issues with it.
- Today I am simply travelling to retrieve my vehicle using normal public transport.
- I am calm, safe, and capable.
- I am not under any order or restriction.
- I am fully cooperative and happy to answer any questions.

Please let me know if I am detained or free to continue.

Thank you.

If you want, I can also make:

- ✓ An ultra-short one-sentence card
- ✓ A more formal card
- ✓ A card emphasising safety and mental clarity

Just say “short version” or “formal version.”
