Dear Mr McLean

re: Dr John Whitaker

I respond to your two emails to me of 11 May 2019. I confirm that I am acting on the instructions of Avant Insurance Ltd in respect of the claim for compensation you have directed to Avant's insured, Dr John Whitaker. I understand from your emails that the Health Complaints Commission (HCC) has forwarded to you my letter of 26 April 2019.

The HCC has informed me that it has closed its file concerning your complaint about Dr Whitaker.

Avant requires any claim by you to be formulated in compliance with relevant legislation and established legal principles. I recommend that you obtain advice from a lawyer experienced in personal injury litigation against health service providers.

Yours faithfully
