**RE: Application for Assistance by
MR RICHARD MCLEAN**

I write in regards to the above application for assistance.

The Tribunal has received material from the police regarding the act of violence that your client has lodged his claim with the Tribunal regarding.

This material includes the Applicant's statement to police where he has indicated that when he attempted to move past the Alleged Offender he received a push to the chest. In response, the Applicant punched the Alleged Offender in the face who then retaliated.

Given the above, the Tribunal member has indicated that submissions will be required in respect of Section 54 (a) & (c) of the Victims of Crime Assistance Act 1996 in respect of the Applicant's behaviour during this incident and surrounding the issues of provocation.

Please contact the Tribunal if you have any queries regarding this matter.

Yours Sincerely
Clare McCormick
