

Dear Paula Stratton,

Here is your email to me I have provided the documents that you asked for.

There should now be no doubt of the injustices that I have been victimised with and I want you to investigate my PID at DSS.

The level of how utterly absurd this gaslighting and victimisation's level is getting boggles my mind.

I will win though. I have already won just by being alive and existing.

I have embedded the following:

Government employee login at DSS:	7
Rental agreement between Steve Iasonidis and Richard McLean and run property	8
Application for an intervention order that was never granted	9
The death threats	10
Certificate of service from North West Area Mental Health Service - proving that I have been employed by the Health department and hence used to be a 'public official' and can make a pid	11
NDIA and Richard McLean relationship	16
Richard McLean gives Steve Iasonidis the engagement ring in 2011	21
Joint bank account rich mclean and Steve Iasonidis - bendigo bank	22
I reported disclosable conduct at federal court and it was deemed conduct that unreasonably results in the danger to the health or safety of one or more persons; or unreasonably results in, or increases, a risk of danger to the health or safety of one or more persons; section 29 Item 8 PID act.	23
A federal court document stating they are satisfied that I was employed by DSS:	24
Only legislated to operate in the state of Victoria in my certificate of registration:	26
NDIA and Rich Mclean have a contract to provide services to a government agency	27
My contract with the NDIS quality and safeguards commission for providing services under a government contract:	28
2018 - 'frequently feels suicidal' - dr Richard Moore	38
Health super statement insurance receipt for which I was not paid right amount	39
From the product disclosure statement in 2007 at health super - TWO units are standard in TPD. I was only paid one.	40
The Federal Court is satisfied that I was an employee of DSS.	42
My DSS login demonstrating employee relationship but I was blocked out of logging in.	44
My suicide attempt was considered 'lethal'.	45

<u>The Federal Court now blocks my PID and responses to my rejected PID to the email address PID@fedcourt.gov.au</u>	46
<u>This is literally my employee details at the Department of Social Services.</u>	47
<u>Dr John Campbell Whittaker whom I made a complaint about which was never ever validated actually has his ABN cancelled from 25 Sept 2012</u>	49
<u>From layer Russell balls website</u>	51
<u>My registration with NDIS quality and Safeguards commission demonstrating a government contract and of me being either an employee or a contractor but a person able to make a PID all the same.</u>	52
<u>Kate Watson government lawyer rejects a conciliation</u>	53
<u>Paul Fowler is a lawyer and been instrumental in my persecution at ComCare, the office of public prosecutions and work safe</u>	54
<u>Evidence of my DSS login - but I had been locked out.</u>	56
<u>The federal court finds disclosable conduct:</u>	58
<u>NDIS quality and safeguards commission contract to be a 'registered provider' of therapeutic supports in victoria.</u>	60
<u>My clean criminal record</u>	61

I REPORTED DISCLOSABLE CONDUCT AT FEDERAL COURT AND IT WAS DEEMED CONDUCT THAT UNREASONABLY RESULTS IN THE DANGER TO THE HEALTH OR SAFETY OF ONE OR MORE PERSONS; OR UNREASONABLY RESULTS IN, OR INCREASES, A RISK OF DANGER TO THE HEALTH OR SAFETY OF ONE OR MORE PERSONS; SECTION 29 ITEM 8 PID ACT.

- 3 -

- conduct that unreasonably results in a danger to the health or safety of one or more persons; or unreasonably results in, or increases, a risk of danger to the health or safety of one or more persons; section 29 Item 8 PID Act.

It is difficult to determine whether this belief is based on reasonable grounds or not. However, for the purposes of the initial assessment I am prepared to assume that the conduct disclosed in your correspondence and other information received is disclosable conduct for the purposes of the PID Act.

Decision

As I am not satisfied that the disclosure made in your correspondence and other information which was received by the Federal Court and FCFCOA was made by a public official or provided to an authorised recipient under the PID Act, there is no reasonable basis on which I can decide that the disclosure is an internal disclosure; subsection 43(2) of the PID Act.

As I am not satisfied that your disclosure meets the requirement of the PID Act to be an internal disclosure, I must decide (in the language used in section 43 of the PID Act as above) not to allocate the handling of that disclosure to any agency.

This means that no further action under the PID Act will be taken by the Federal Court or FCFCOA, or any other Commonwealth agency on the correspondence and other information you provided to the Federal Court or FCFCOA. It does not affect what any other Commonwealth agency might do in respect to any other PID Act disclosures which you have made to that agency or those agencies.

Other Information

As I have decided not to allocate your correspondence and information provided to the Federal Court and FCFCOA as a disclosure under the PID Act, I will not be advising the Principal Officers of the Federal Court or FCFCOA of your disclosure or my decision.

If you are dissatisfied with the manner in which your disclosure has been dealt with in the Federal Court or FCFCOA, you can complain to the Commonwealth Ombudsman. Information about making a complaint is available on the Commonwealth Ombudsman's website at: [How to make a complaint | Commonwealth Ombudsman](#).

The Court will be retaining electronic versions only of the various documents that I have seen.

Yours sincerely

**FEDERAL COURT OF AUSTRALIA
PRINCIPAL REGISTRY**

HARRY GIBBS COMMONWEALTH LAW COURTS
119 NORTH QUAY
BRISBANE QLD 4000

27 March 2023

Dr Rich McLean

By email: richarddrawstuff@gmail.com

Dear Dr McLean,

I refer to your various correspondence dated 7 March 2023, 23 March 2023 and 24 March 2023 and addressed to, amongst others, the Chief Executive Officer and Principal Registrar of the Federal Court of Australia (Federal Court). Your correspondence has been referred to me for consideration.

My Authority

The Chief Executive Officer and Principal Registrar is the Principal Officer of the Federal Court for the purposes of the *Public Interest Disclosure Act 2013* (Cth) (PID Act). I am an officer of the Federal Court engaged under the *Public Service Act 1999* (Cth) and authorised by the Federal Court's Chief Executive Officer to, amongst other things, carry out the functions of an authorised officer under the PID Act on behalf of the Federal Court.

The Federal Court, Federal Circuit and Family Court of Australia (FCFCOA) and the National Native Title Tribunal (NNTT) each comprise a part of a single entity, for the purposes of the *Public Governance, Performance and Accountability Act 2013* (Cth), known as the Federal Court of Australia.

Your Correspondence

On 7 March 2023 you sent an email to Sia Lagos, an authorised person to receive a PID at the Federal Court and FCFCOA. In that email you highlighted that you wanted your struggles, oppression, victimisation and detriments in psychological, financial, reputation and other ways to be acknowledged and compensated. Your email contained links to what would be identified as additional documents, but which resulted in significant delays, given the need to ensure the security and integrity of our systems against an unknown source. In those documents you outline your concerns with respect to a number of officials at various agencies.

Initial Assessment

In making the initial assessment mentioned above, I am required to consider whether there are reasonable grounds for deciding that what has been disclosed could be a public interest disclosure under the PID Act.

In doing so, I must consider if:

- the person who made the disclosure is a “public official” for the purposes of the PID Act;
- the disclosure has been made to someone who is authorised under the PID Act to receive it;
- it is an internal disclosure, with the contentions tending to show disclosable conduct or the person making the disclosure reasonably believes that these contentions tend to show disclosable conduct; and
- the “disclosable conduct” falls within the definitions set out in the PID Act.

My Assessment of Your Contentions

A public interest disclosure can only be made by a “public official”; paragraph 26(1)(a) PID Act. The meaning of “public official” is defined and includes current or past Australian Public Sector employees; section 69 PID Act. Section 30 of the PID Act extends this meaning to include employees of organisations which provide goods or services under a Commonwealth contract; subsection 30(3) PID Act. As a general principle an organisation which is a party to a contract that prescribes the terms for grant funding is not a contracted service provider for the purposes of the PID Act.

On the information you have provided me, I am satisfied that you are, or were, an employee with the Department of Social Services, providing services under the trading name Rich McLean, Arts Life Coach, Peer-Support Worker & Mental Health Advocate.

A public interest disclosure can only be made to a person who is authorised to receive it; section 26 PID Act. In respect of an internal disclosure, that is a disclosure to a Commonwealth agency such as the Federal Court, FCFCOA or NNTT, the only authorised recipients are:

- the principal officer of the agency that the relevant conduct relates to or another officer of that agency authorised in writing by that principal officer;
- any Commonwealth agency that the discloser belongs to or last belonged to; or
- the Commonwealth Ombudsman; see section 34 Item 1 PID Act.

I am satisfied from the information that you provided that the conduct disclosed in your email correspondence and attached documents does not relate in any way to the Federal Court, FCFCOA or the NNTT.

As a result, I am not satisfied that the disclosure made in your correspondence and other information which was received by the Federal Court and FCFCOA was provided to an authorised recipient.

I am satisfied, from the correspondence and other information provided, that you believe that the information you have disclosed tends to show one or more instances of conduct that:

- perverts, or is engaged in for the purpose of perverting, or attempting to pervert, the course of justice; section 29 Item 3(a) PID Act;
- conduct that constitutes maladministration; section 29 Item 4 PID Act; and

NDIS Quality and Safeguards Commission

Your new certificate of registration as a registered NDIS provider

Dear Chief Executive Officer

In June 2019, all registered providers in the Australian Capital Territory (ACT), Victoria (Vic) Queensland (Qld), Tasmania (Tas) and the Northern Territory (NT) received a provider information email to let them know what is happening with the transfer of registration as providers of supports under the National Disability Insurance Scheme (NDIS). This followed an email to all providers in the ACT, Vic, Qld, Tas and the NT in May 2019. You can find a copy of both emails on the NDIS Commission website at www.ndiscommission.gov.au.

Your registration to provide supports under the NDIS will be transferred from the National Disability Insurance Agency (NDIA) to the NDIS Commission on 1 July 2019, by the operation of the National Disability Insurance Scheme (Quality and Safeguards Commission and Other Measures) Transitional Rules 2018. Under those rules, the Commissioner will register MCLEAN, RICHARD WILLIAM (trading as Rich McLean, Arts Therapist, Peer-Support Worker & Mental Health Advocate) as a registered NDIS provider under section 73E of the National Disability Insurance Scheme Act 2013 (the Act).

The Commissioner of the NDIS Commission is now issuing you with its Certificate of Registration in accordance with paragraph 73E(4)(b) of the

Act. This certificate is attached and will apply to MCLEAN, RICHARD WILLIAM (trading as Rich McLean, Arts Therapist, Peer-Support Worker & Mental Health Advocate) from 1 July 2019. Attached is an information guide relating to NDIS provider obligations under the NDIS Commission.

Your Registration ID is: 4-433J-962

You will need this Registration ID when contacting the NDIS Commission in relation to your registration and in order to access the NDIS Commission Portal located on the NDIS Commission website.

Certificate of registration

The details of your registration, including any classes of supports (previously referred to as groups of supports) that you are registered to provide, and the conditions of registration are identified in the Certificate of Registration. It is important that you are familiar with the conditions that apply to your registration and your responsibilities as a registered NDIS provider.

Registration scope

Given you will be a registered NDIS provider from 1 July 2019, it is important to be registered in relation to all supports and services that you deliver to participants with NDIA managed plans.

The transfer of provider registration is happening in the ACT, Vic, Qld, Tas and the NT as of 1 July 2019, NSW and SA transitioned on 1 July 2018. The NDIS Commission will have authority to register NDIS providers operating in all states and territories except Western Australia (WA) from 1 July 2019.

If you are delivering, or intending to deliver, supports or services to participants who reside in WA, you will need to continue your registration with the NDIA and meet the quality and safeguarding requirements in WA. More information about this is available at [https://](https://www.ndiscommission.gov.au/about/start-dates/wa)

www.ndiscommission.gov.au/about/start-dates/wa.

Register of NDIS providers

Under section 73ZS of the Act, the Commissioner of the NDIS Commission maintains a public register of registered NDIS providers. The register is published on the NDIS Commission's website at www.ndiscommission.gov.au.

If you consider the information about you on the NDIS Provider register is inaccurate, please contact the NDIS Commission by sending an email to registration@ndiscommission.gov.au.

Next steps

Your registration will transfer to the NDIS Commission as of 1 July 2019. You will then need to start getting ready to apply for renewal of your registration.

You will need to make an application for registration under the new NDIS Commission arrangements before the end of the period specified in your Certificate of Registration. This will involve the following:

1. Submitting an application for renewal using the NDIS Commission Portal and your Registration ID. You will be required to confirm key information about your registration, including the key personnel.
2. You will also:
 - Undertake a self-assessment of your organisation against the NDIS Practice Standards relevant to the supports and services you provide to participants.
 - Arrange for an assessment against the NDIS Practice Standards. This involves a NDIS Commission approved quality auditor assessing your organisation, using either a verification or a certification method, against relevant NDIS Practice Standards. Information about approved quality auditors is published on the NDIS

Commission website. Your Certificate of Registration attached specifies the timing of quality audits for your organisation.

3. To retain your organisation's registration, your organisation must submit the registration renewal application with the NDIS Commission by **31/03/2020**. This date is the end of the period of registration as stated on your Certificate of Registration. If your organisation does not submit the renewal application by this date, your organisation's status as a registered NDIS provider will lapse.

Please be aware that any registration groups your organisation is currently registered to provide to participants residing in the ACT, Vic, Qld, Tas or the NT will transfer to your registration with the NDIS Commission on 1 July 2019. As part of the registration renewal process there will be the opportunity to vary these where your organisation intends to provide different supports or services.

NDIS Commission Portal

All users linked to your organisation in the NDIA's Myplace portal will also have access to your organisation's details in the NDIS Commission Portal.

Your organisation will be required to use the NDIS Commission Portal to undertake the registration renewal process. Other functionality available on the NDIS Commission Portal, including how to provide access for additional users, is detailed on the NDIS Commission Portal webpage <https://www.ndiscommission.gov.au/providers/provider-registration/ndis-commission-portal>.

On 1 July 2019, the 'My Reportable Incidents' page will be available via the NDIS Commission Portal. This will be the way registered NDIS providers

in all states and territories (except for Western Australia) notify the NDIS Commission of Reportable Incidents.

Information for providers registered for Specialist Positive Behaviour Support (110)

To support safeguarding for people subject to restrictive practices, the National Disability Insurance Scheme (Restrictive Practices and Behaviour Support) Rules 2018 require that a registered provider of specialist behaviour support services must use a behaviour support practitioner whom the NDIS Quality and Safeguards Commissioner considers suitable. To comply with this requirement, section 29 requires that specialist behaviour support providers notify the NDIS Commission by 31 July 2019 of their behaviour support practitioner(s).

To notify the NDIS Commission of your behaviour support practitioner(s) please go to the Behaviour Support webpage [https:// www.ndiscommission.gov.au/providers/provider-responsibilities/ behaviour-support](https://www.ndiscommission.gov.au/providers/provider-responsibilities/behaviour-support) and follow the link: Notification of Behaviour Support Practitioners (s29). Details of your practitioner(s) can be entered into this form and submitted online to the NDIS Commission.

On the basis of the information collected from your notification, your practitioner(s) will be considered provisionally suitable as NDIS behaviour support practitioners and advised of this in writing.

Information for providers implementing a regulated restrictive practice in accordance with a behaviour support plan

The National Disability Insurance Scheme (Restrictive Practices and Behaviour Support) Rules 2018 require that any provider using a regulated restrictive practice must only use the practice in accordance with a behaviour support plan. The provider must also report monthly to the NDIS Commission on the use of restrictive practices. This applies to all new behaviour support plans developed from 1 July 2019 that contain regulated restrictive practices. There are specific state and territory transitional arrangements for what to do in relation to behaviour support plans that are already in place at 1 July 2019. Further information is available at the Behaviour Support webpage [https://www.ndiscommission.gov.au/providers/ provider-responsibilities/behaviour-support](https://www.ndiscommission.gov.au/providers/provider-responsibilities/behaviour-support).

Please find attached your organisation's Certificate of Registration, including conditions of registration.

Richard able to recall and understand why he was brought into ICU. Showed insight into his action however remains to be supportive of this. Richard reported he thought this was the only way 'out of that place'. He reported feeling locked up. He referred to himself as being 'jailed'.

Richard acknowledged concerns from community regarding his plan to end his life on his Bday hence admission was warranted to prevent this. Richard abruptly stopped the assessment and asked all 3 clinicians credentials again. This was given again to him. Richard refused to talk any further as he felt that CL team were recording. Undeliverable: From Dr Rich McLean - PID disclosure.
To: Call Recorder Service (Don't Forget to Merge Calls)

Your message to PID@fedcourt.gov.au couldn't be delivered.

The group **PID** only accepts messages from people in its organization or on its allowed senders list, and your email address isn't on the list.

richarddrawsstuff	Office 365	PID
Sender		Action Required
		Sender not allowed

How to Fix It

It appears you aren't in the same organization as the group (or a sub-group) you're sending to or your email address isn't on the group's allowed senders list. Ask the owner of the group to grant you permission to send to it, and then try again. If the group belongs to a different organization than yours, contact the organization's customer service department for assistance. If the group is in your organization and you don't know who the group owner is, you can find it by doing the following in either Outlook on the web or Outlook:

- Open your Sent folder and select the original message.
- If you're using Outlook on the web, select the group name located on the To or CC line. If you're using Outlook, double-click the group name located on the To or CC line.
- In Outlook on the web, from the pop-up dialog box, choose Owner. In Outlook, choose Contact. The owner's name is listed under Owner.

The owner of the group may have intentionally chosen to restrict who can send messages to it, and they may not want to adjust the existing restriction. In this case, you'll have to contact the group members by some other means, such as sending an email message to their individual email addresses or contacting them by phone.

Mr Russell Ball informs Government policy and advises the ombudsman - where I am also a failed whistleblower, you can smell the malice of him working against me from afar by proxy - silencing me and using his enormous power and influence to pervert the Course of justice.

I recorded this to test my own reality because of my illness not to extort him.

Here is that unfortunate recording in which he rejects my NDIS, I tell him in quite a few ways I am suicidal and then he gives me a script of tramadol which I then later use to overdose on. I survive and when I moved house found the suicide note, which led me to the recording, which made it not sit right with me ethically that this had happened and so I went and made the complaint.

Your new certificate of registration as a registered NDIS provider

Dear Chief Executive Officer

In June 2019, all registered providers in the Australian Capital Territory (ACT), Victoria (Vic) Queensland (Qld), Tasmania (Tas) and the Northern Territory (NT) received a provider information email to let them know what is happening with the transfer of registration as providers of supports under the National Disability Insurance Scheme (NDIS). This followed an email to all providers in the ACT, Vic, Qld, Tas and the NT in May 2019. You can find a copy of both emails on the NDIS Commission website at www.ndiscommission.gov.au.

Your registration to provide supports under the NDIS will be transferred from the National Disability Insurance Agency (NDIA) to the NDIS Commission on 1 July 2019, by the operation of the National Disability Insurance Scheme (Quality and Safeguards Commission and Other Measures) Transitional Rules 2018. Under those rules, the Commissioner will register MCLEAN, RICHARD WILLIAM (trading as Rich McLean, Arts Therapist, Peer-Support Worker & Mental Health Advocate) as a registered NDIS provider under section 73E of the National Disability Insurance Scheme Act 2013 (the Act).

The Commissioner of the NDIS Commission is now issuing you with its Certificate of Registration in accordance with paragraph 73E(4)(b) of the

KATE WATSON GOVERNMENT LAWYER REJECTS A CONCILIATION

I offered a conciliation with ComCare but Kate Watson, lawyer acting outside her remit for the government refuses it. She and member Purnell well knew that I wanted a lawyer but couldn't get one, (the one I did have John Boyle of MD law dumped me a day before the hearing then is charging me \$500000 to get my evidence back from him the swine).

This is out of line with the charter of human rights of a person with a disability which states we must have equality before the law and access to it.

The 3 AAT decision was inequitable, unfair, unbalanced, doomed to fail for me, illegal, unethical, and was never going to be impartial because of me being a scapegoat.

Dear Dr McLean

Comcare does not agree to attending a conciliation with you prior to the hearing on 6 April 2023.

Comcare's position is that you are not an employee for the purposes of the SRC Act. In these circumstances, Comcare does not consider that there is any scope for resolution of your application other than by way of the Tribunal determining this question.

was the man at ComCare who rejected my work cover claim on account of me not being an employee for the purposes of the SRC act.

Work safe pushed it to comcare - Paul Fowler was the old boss at work safe. That's called corruption.

I have reason to believe my work cover issue is a state-based work safe matter.

Now he is onto the Office of Public Prosecutions - a place which has rejected my desperate pleas for an advocate or a power of attorney.

The fact that his name has been attached to so much of my detriments reeks of corruption and demonstrates that he as a public official acts unethically and immorally.

It is clear the sexual abuse has had a severe and significant traumatic and destructive impact on Richard's life and health that is separate to any other diagnosis. He has sought medical assistance through the years has taken antidepressant, antipsychotic and anti-anxiety medication to try and manage and suppress the toxic and troubling memories of the trauma.
