Your ABN will be cancelled unless
you phone us

Hello

Australian business number (ABN):
78 833 496 164

Entity name: THE TRUSTEE FOR
WWW.BARRANDODGER.COM.AU

Our records indicate that you've stopped operating your business and no longer need an ABN.

We've used information provided on your tax return, other lodgments, and other third-party information to determine this.

Your ABN may be cancelled if:

- > you advise that you've stopped business in your latest tax return
- > you haven't reported business income
- > you lodge a final tax return

- > your lodgments aren't up to date.

To be entitled to an ABN you must be carrying on a business. You need to lodge a tax return if you carried on a business, even if your business hasn't earned any income. This is regardless of whether the business is reporting a profit or loss and above or below the tax-free threshold. By keeping your tax obligations up to date, we can see that you're actively running a business.

We're going to cancel your ABN unless you tell us you need it.

Cancelling your ABN will cancel any authorised relationships between your Digital ID, such as myID and your ABN. It'll also cancel your registrations for goods and services tax (GST), luxury car tax (LCT), wine equalisation tax (WET), fuel tax credits (FTC) and pay as you go withholding (PAYGW).

You'll be notified separately of these cancellations.

What you need to know

The Registrar undertakes regular integrity checks to ensure data and information on the Australian Business Register remains current and accurate.

The details contained in this communication have been obtained from the current contact details for this business.

What you need to do

If you're still running a business and you need your ABN, you'll need to let us know by **22 May 2026**. You can do this at any time by using the business self-help automated service. This is the fastest way to respond as other methods of contacting us may not be received in time and can result in the ABN being cancelled:

- > phone us on **13 72 26** and follow the prompts to keep your ABN
- > you'll be asked to enter your ABN **78 833 496 164** and confirm that you want to keep your ABN.

Any responses that we receive after **22 May 2026** won't be actioned.

If you've stopped running your business, you don't need to do anything. We'll cancel your ABN.

If you start running your business again, it's easy to apply for an ABN online at abr.gov.au. In most cases if your business structure hasn't changed, we'll register you with the same ABN.

You need to make any outstanding lodgments or payments to avoid being charged penalties and interest.

It's important to keep your ABN details up to date

You need to keep us informed of any changes to your business details. This includes cancelling your ABN if your business is no longer operating. You need to do this within 28 days of becoming aware of the changes.
