Request for Funding Support for Research Activity by Research Students

Attach a copy of your original Research Budget. If this application is for special additional support a revised research budget is also to be attached.

Name Richard McLean **Date** 26/07/2017

Degree enrolled PhD

Expected Completion Date November,
2018

Purpose for which funding is sought

Already purchased: Provision of software, cost of necessary ebooks, university accredited security for my computer, conference costs.

Supporting evidence for this funding request: This includes for example, acceptance of a paper, whether the paper is refereed, other local conferences attended, intention to submit the paper for research quantum; equipment to support research activities

I have been through all this and Samantha Smalley had detailed receipts of spending.

The amount requested (include information about other funding sources requested too)

\$362.70

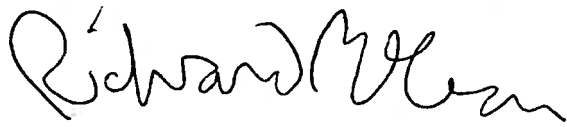

Time frame

These things have already been paid for.

Other supporting comments

I have already provided all receipts to finance officer Samantha Smalley.

Signed: Richard Mclean
