Dear Richard,

Re: Appeal of Decision and Receipt Number 068502

This letter is to confirm that Mr Richard McLean (Student ID: 3932313) is currently enrolled in his Doctor of Philosophy degree at Victoria University. Richard has been enrolled in his PhD since 13 July 2015 and is currently expected to finish on 2 July 2019.

Richard has been consistently studying his PhD at Victoria University for the entire duration of his degree, including from Semester Two 2017 end last year (July 2017) through until semester one start this year (February 2018) regardless of official University schedules. Although PhD students enrol on a semester basis due to the student administration systems, as research students they are continually working on their research over the whole year.

He has been attending the university campus at least eight hours per week during that time to conduct his research, including supervision meetings.

If you need to know any more information please do not hesitate to contact me on (03) 9919 5014 or Lesley.Birch@vu.edu.au

Yours sincerely,
