Mr. Richard McLean  
Via email

**TO Whom it may concern**

This letter is to confirm that Mr. Richard McLean is receiving a VU Postgraduate Research Scholarship to undertake his PhD at Victoria University. He has requested to transfer to part-time enrolment and scholarship payments. This has been approved and he will change to part-time enrolment from 22 March 2018.

When Mr. McLean changes to part-time enrolment from 22 March 2018, his scholarship payments will be taxed. He will receive \$520.81 per fortnight (taxable) which will be deposited into his bank account. This equates to an annual stipend of \$13,541 per annum. Mr. McLean has requested this initial letter and I will also write a follow-up letter if required when his enrolment status officially changes to part-time.

If you have any further queries, please do not hesitate to contact me on (03) 9919 5014 or via [Lesley.Birch@vu.edu.au](mailto:Lesley.Birch@vu.edu.au)

Yours sincerely,
