20 Sep 2026 evening — official PDFs by file ID (no extra Grok credit):
Specific Google Drive official PDFs downloaded by file ID and copied as binaries into this GitHub repo. Plus unique Gmail agency-letter attachments (Attorney-General, PM&C FOI, IBAC CASE-20231101 / CASE-2020712). Not another auto-reply sweep.

[Open the new binaries](#)[Authority email](#)[Backup tree](#)[Donate](#)

Authority email

This pass: Attorney-General covering letter (6 Feb 2025), PM&C FOI/2022/045IC revised decision (8 Oct 2024), IBAC CASE-20231101 and

CASE-2020712 outcomes — plus earlier NCAT / Legal Aid / VOCAT / Ombudsman records. Auto-replies already listed are not repeated.

Official Drive binaries

48 PDFs downloaded by Drive file ID (and unique Gmail agency attachments) and copied onto this GitHub repo. Open the PDFs here. SHA-256 on each file.

Earlier Drive scan

117 PDFs catalogued from the connected Google Drive with live Drive links. Kept as the title index; binaries for the official subset are now in this repo.

Gmail official PDFs

Text extracts of NCAT reasons, Legal Aid appointment letter, VOCAT refusal covering email. Image-only VOCAT notice flagged.

Forensic cost analysis

Master Research Command — evidence-tiered financial, administrative-burden and accountability analysis. No presupposed conspiracy.

Earlier profile (Wix)

Factual index of the earlier public site — qualifications, book awards, exhibitions, media.

Why the silence

Impartial AI analysis of non-engagement grounded in public PDFs and official correspondence.

Named archive PDFs

35-year forensic, architecture, persecution case files, PM letters, NDIS, and more.

Official gov PDFs

~138 binaries already on GitHub Backup, plus 48 newly copied Drive/Gmail official PDFs in this repo.

Ethics

Truth should be free.
