Dear Mr McLean,

Re: Your family matter

We are writing to confirm the changes which you advised on the 9th October and 19th October 2020 you wished to make to the draft of the letter which we propose to send to Mr Iasonidis.

We confirm that you wish the letter to include Mr Iasonidis's postal address, and that the letter also be sent to his Yahoo email address as well as his Gmail email address (please refer to attached draft). In addition, you have advised us that you wish to be blindly cc'd into the email that will be sent to Mr Iasonidis enclosing this letter.

We enclose a draft of the letter we propose to send to Mr Iasonidis both by registered post and to the two email addresses which you have provided to us. Please advise in writing if you agree to the above-mentioned changes and are satisfied for this letter to be sent to Mr Iasonidis.

If you have any queries, please contact **Rachael** via return email. Students and staff are working remotely and are not in the office. If you need to speak to a student, please call 1800 860 333 and we can arrange for the student or supervising lawyer to contact you when they are next available.

Yours faithfully,
