Thank you for contacting VALiD intake

We provide individual advocacy for people over 18 with intellectual disability who live in Victoria.

We are not able to take on all requests.

Please [read this Handbook document to familiarise yourself](#) with what we offer and how we may work with you.

We prioritise urgent advocacy issues such as abuse, neglect, exploitation and serious breaches of human rights.

We also prioritise situations where a person with an intellectual disability is in crisis and there is no one else who can help.

If you are enquiring about advocacy for a person who does not have an intellectual disability, please search for another advocacy service [here](#).

If you are seeking advocacy for NDIS issues such as reviews, appeals, complaints or Administrative Appeals Tribunal matters please use the [Disability Advocacy Finder](#) to locate advocacy services who receive funding to provide this type of advocacy.
