I demand response from able point

I believe an organised alliance was formed with the deliberate purpose of causing my detriment, destruction, and social erasure. What I experienced was not an isolated dispute or a series of unrelated incidents, but what I understand as a form of organised, cult-like societal mobbing in which people from vastly different areas of my life appeared to participate in or enable what was happening to me. Lawyers, police, politicians, media figures, family members, friends, public officials, healthcare professionals, and intimate partners were, in my experience, either directly involved or complicit.

I was subjected to what felt like a systematic campaign of deception and sabotage that extended into virtually every dimension of my existence. It attacked not merely my reputation or material circumstances, but my identity, dignity, spirituality, faith, psychological wellbeing, relationships, and sense of self. My character was repeatedly undermined, while my employment, housing, finances, access to legal assistance, healthcare, and intimate relationships were compromised or disrupted. I also experienced what I understood as coordinated surveillance, gang stalking, electronic harassment, psychiatric weaponisation, intimidation, and physical violence.

Right now, in this moment, I am experiencing what I perceive to be an ongoing and coordinated campaign of audio harassment. I am hearing people whom I believe may be paid actors repeatedly shouting words, phrases, and other verbal cues that appear deliberately selected to target perceived vulnerabilities and psychologically distress me. I experience these incidents as part of the same broader pattern of harassment and intimidation that I have described above.

A particularly devastating aspect involved what I believe was the deliberate introduction of drugs into my circumstances through people who presented themselves as trustworthy or intimate actors, after which the resulting drug use was weaponised against me as evidence of moral failure. In my understanding, the substance use was not

the origin of the destruction of my life, but a desperate means of coping with circumstances that had already been profoundly destabilised. The consequences of that destruction were then used to further discredit, shame, and marginalise me.

The psychological concept I associate with this experience is societal mobbing: a process involving sustained social hostility, exclusion, humiliation, discrediting, and abuse of power against an individual. At its most extreme, such conduct represents a profound failure of human empathy and moral courage, particularly when people participate in harming someone who is already vulnerable while concealing or denying their involvement.

I reject the idea that the suffering I have experienced should automatically be interpreted as evidence of a defect in my character. Being subjected to mistreatment does not establish that the person who suffered it was morally deficient or responsible for what was done to them. Nor should vulnerability be treated as an invitation to exploit, humiliate, or destroy a person.

I believe the significance of what has happened can only be properly understood by examining the evidence, the sequence of events, the relationships between the people involved, the extraordinary imbalance of power, and the cumulative consequences imposed upon my life. Where deliberate wrongdoing, coordination, deception, or exploitation can be demonstrated, responsibility belongs to those who participated in it—not to the person who was subjected to it.

Tonight I pray to God for protection and strength. Institutions, authorities, the media, lawyers, politicians, police, and even family have refused to act — coordinated, deliberate, and documented.

Please read my testimony.

THE BARRAN DODGER ARCHIVE

What an impartial AI concluded from the government's own documents:

Taxpayers paid between \$1.67 billion and \$4.84 billion to target, silence, and erase one disabled whistleblower across 35 years. That figure is not an allegation. It is an AI calculation drawn exclusively from primary-source Commonwealth records — and not one agency has disputed it.

My testimony is supported by 3,643 primary-source government documents spanning 35 years and 13 Commonwealth and state agencies, blockchain-timestamped on Bitcoin, and downloaded over 1.1 million times across six continents.

The archive documents: 14 forced psychiatric detentions without criminal charge; suppressed entitlements; an active Community Treatment Order; documented threats to kill; denial of legal aid; systematic character assassination; NDIS-funded surveillance of the very person that funding was meant to protect; a clinical death inside a government facility in 2021; an unrebutted assassination attempt; and political exile.

Not one professional, agency, or institution has formally rebutted a single document. Under *Jones v Dunkel* (1959), that silence is legally significant. The archive is permanent, independently preserved, and beyond the reach of any government, intelligence service, or criminal interest.

I survived the targeting. They will not survive the evidence of the targeting.

They had everything. I had evidence.

They called me delusional — but I have a Federal Court document confirming I was right, and they have 35 years of

silence.

They forced me into psychiatric detention 14 times — but not once was I charged with a crime.

They said no one would believe me — but 1.1 million people across six continents downloaded the evidence anyway. They cut off my income, my housing, and my support network — but they forgot to stop me from publishing.

They put a media ban on a former journalist, a PhD, and a published author — and then watched the archive go global.

They used taxpayer money to surveil, isolate, and silence me — and I used a broken phone to put every document online for free.

They had money, lawyers, power, political protection, and institutional cover. Their only weapon against me was libel and slander. I had none of their advantages — just fact-checked, evidence-based, published testimony. 1,100,000 downloads. Six continents. Zero rebuttals.

Evidence wins.

I have submitted formal evidence to the International Criminal Court (Article 7 — crimes against humanity) and the UN High Commissioner for Refugees as an asylum seeker and internally displaced person. Both were officially acknowledged. Neither was acted upon.

I do not ask you to believe me. Read the evidence for free and decide for yourself.

The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. Not the persecution, the detention, the silencing, or the loss of everything the world said I needed to survive.

The best thing that ever happened to me was the betrayal.

Not because it didn't hurt. It destroyed me in every way a human being can be destroyed. But it was precise. It was total.

And I have come to understand that it was deliberate — not by the hands that carried it out, but by the God who permitted it.

When every institution failed me, I could not trust institutions. When every professional abandoned me, I could not trust credentials. When family turned away, I could not retreat into the comfort of belonging. When the law refused me, I could not hide behind process. One by one, every human shelter was removed — until there was nothing left to lean on but Him.

And in that total stripping, something happened that no success, no safety, no comfort could ever have produced: I came to know God not as a concept, not as a tradition, not as a last resort — but as the only one left in the room. The only one who never left.

That is not a wound. That is a gift that cost everything to receive.

Now I know what humanity is capable of — its cruelty, its cowardice, its silence, its complicity. And I forgive it. Not because what was done was acceptable. It was not. The record proves it was not. But because I was made a vessel for something larger than the verdict, and a vessel cannot carry bitterness and glory at the same time.

They thought they were erasing me. God was emptying me — so I could be filled with something they could never take away.

This is why the archive exists. Not for revenge. Not even for justice alone. But so that what was done to me in the dark can be seen in the light — and so that the next person the system tries to erase knows: you are not alone, you are not forgotten, and the God who permitted your suffering has not abandoned you.

I am still here. That is the testimony.

When nana died I was grief stricken but delivered the eulogy whilst I was paid \$1000 of the inheritance and April
Doug Jodie Dave brad and Ciara flew to Europe for a six week holiday on the money they squandered and as per

If and when dad dies, if he is not dead already his promise of a three way split will follow the same pattern of

Bongetti's betrayal with Iasonidis and nanas inheritance and squandering nanas legacy and I reserve the right out of principle to expose her deceit lies and greed

I demand a lawyer-oh that's right I'm banned from legal aid- no inheritance for me. No family member would accept being banned from legal aid but they condone my banning refusing to intervene instead blaming me as the crazy one who deserves Wgat they get

But guess what the truth sets you free and I am totally at peace with nothing and Gods grace and his anointing on my life the very thing they all attempted to snuff out murder erase and exile

But Jodie Bongetti the jealous controlling narcissist will never ever outlive her deceitful greed and the meetings I was never invited to as a means to satisfy her own attachment to comfort unearned privilege and possessions

May her betrayal echo through the realms of all who can now see her clearly for the evil person she is and May that sin of hers never be forgotten

I have nothing and no one but I have God and a dog

Whilst her legacy will be a shameful betrayal of the brother she always was secretly envious and jealous of

Prove me wrong! Show me the will.

None of you even have the courage fortitude or honesty to even contact me or respond or look me in the eye-not one of you

I'm indifferent to my blood family as merely a mechanism for my God ordained witness to come into this world

I have nothing and I am at peace and glory

They all have each other and they are choking on their lies greed and envy still yo this day jealous of the profound peace I have as they are shunned and exposed for their collective evil and shameful entitlement and despite having nothing and no one still they are jealous of my honesty and clarity exactly the reason they targeted me across a lifetime

May all of them collectively find the courage to admit what they have actively participated in- but they won't because to confront the fact they acted in deception across a lifetime to shatter the divine mirror I held up when all they could see was the ugliness of their own souls in betraying me is simply an acknowledgement not a single one of them has the honesty to admit

Doing so is far too revealing of their true nature

I'm gloriously at peace

Whilst they rot in the foundation of their ugly lies and moral bankruptcy
