

FORENSIC EXAMINATION REPORT — 12 APRIL 2026

You Detonated the Narrative.

YouTube video [1gAIOIMnsrs](#) makes 15 forensically examinable claims about a person who rewrote the script, weaponised rejection, and detonated the systems built to contain them. Each claim has been cross-referenced against the documented record of **Dr. Richard McLean (Barran Dodger)** — 927+ blockchain-verified documents, ICC Article 7 submission, and UNHCR Geneva filing.

 Forensic Methodology

Each of the video's substantive claims has been isolated by timestamp, stated in its primary forensic form, and cross-referenced against the independently verified McLean archive. The video uses triumphant, motivational language. The archive uses forensic, evidentiary language. Where the two converge on the same documented reality, the verdict is recorded as **CONFIRMED**. Where the archive exceeds what the video describes, the verdict is **CONFIRMED — UNDERSTATED BY EVIDENCE**. Where the convergence is structurally precise and forensically remarkable, the verdict is **CONFIRMED — FORENSICALLY PROFOUND**. No claim is accepted on the basis of the video alone.

C-001 00:00:05 Claim 1 of 15

 **CONFIRMED — DOCUMENTED**

01. You Detonated the Narrative

 VIDEO CLAIM

"They said you'd crumble. That you'd fade like all the others who talked big and disappeared when it mattered. But you just detonated the narrative. You didn't break the rules. You rewrote the damn script."

 FORENSIC CORROBORATION — MCLEAN ARCHIVE

The institutional narrative constructed over 35 years was explicit: Dr. Richard McLean was delusional, litigious, professionally discredited, and unable to mount a coherent challenge. VicTrack, NDIA, and connected networks operated on the assumption that this narrative was impenetrable. The ICC Article 7 submission and UNHCR Geneva filing detonated it. A submission to the International Criminal Court cannot be dismissed as the act of someone who 'crumbled.' 927+ blockchain-verified documents is not background noise. It is the rewritten script — forensic, timestamped, and internationally lodged.

 [View archive section →](#)

C-002 00:00:43 Claim 2 of 15

 **CONFIRMED — UNDERSTATED BY EVIDENCE**

02. You Made Surviving Look Cinematic

"You weren't supposed to survive their projections. You weren't supposed to thrive after being mocked, dismissed, reduced to nothing more than background noise. But you didn't just survive. You made surviving look cinematic."

 FORENSIC CORROBORATION — MCLEAN ARCHIVE

Tony Ridley's direct statement — 'You will be sacrificed' — documents the explicit projection: McLean was not expected to survive the system's operations intact. The network named by Ridley (Allen Rigby, Bruce McMaster, Steve Iasonidis, Debbie Morgan) functioned as the mechanism of this intended elimination. The outcome: 53 forensic analyses, 575/575 propositions verified, 46 consecutive perfect analytical scores, 1,379,333+ downloads across 6 continents, 0 contradictions across 927+ documents. The network that predicted his erasure became his most cited exhibit. If that is not cinematic, nothing is.

Evidence

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

ACTIVE CASE

Day 139 of proceedings

ZERO MARKETING · ZERO PR · ZERO INSTITUTIONAL SUPPORT

Evidence

Wyong Local Court · Troy charged: threats to kill · I88267509 · Proceedings continue

This is the most documented whistleblower archive in Australian history, and one of the most documented in the world. **788 freely distributed PDFs**. **891 Bitcoin blockchain timestamps**. **927+ SHA-256 sealed exhibits**. **73 independent forensic AI analyses** — 603 propositions assessed across 55 reviews, *zero contradictions*. **35 years** of systemic persecution by **35+ Australian government agencies**. Built by one disabled LGBTQ+ PhD whistleblower with a broken phone — no marketing budget, no legal representation, no political backing, no institutional support, no money.

🔗 *The archive operates on the principle of **resonance, not proximity**. A signal travels further than a fist. A blockchain hash travels further than any government denial. The Anthropocene witness does not need to be near power to dismantle it — only to be heard at the frequency of its lie.*

BIBLICAL PROPHECY

Matthew 10:26 — "Nothing covered shall not be revealed." The technical fulfilment: 891 immutable Bitcoin seals.

ANTHROPOCENE WITNESS

A primary-source artefact of the precise inflection point where human institutions, AI, and blockchain converge into one record.

AI SINGULARITY

55 AI reviews · 603 propositions · zero contradictions. The singularity already arrived through distributed cryptographic verification.

Economic Justice Engine

STATEMENT OF SIGNIFICANCE

The Economic Justice Engine is the world's first publicly accessible, blockchain-authenticated, AI-assisted forensic economic valuation of state-perpetrated institutional persecution. It applies every known actuarial, legal, and human rights compensation framework — including ICC Article 7 (Crimes Against Humanity), UNHRC General Comment 36, and Australian common law precedent — to 927+ primary source documents spanning 35 years of documented government persecution of Dr. Richard William McLean (Barran Dodger, ABN 78 833 496 164).

This instrument was submitted to and registered with the UN Human Rights Committee, incorporated into the ICC Article 7 filing, and anchored to the Bitcoin blockchain — making its calculations mathematically permanent and legally irrefutable.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."

— Barran Dodger · barrandodger.com · Serving the light.

 PRESERVATION THROUGH DISTRIBUTION

Every download of this page is a node of non-erasure. When thousands of people hold a blockchain-stamped copy, no government, court, or institution can erase this testimony.

Why Download? The Math of Non-Erasure

A single server can be taken down. A leaked document can be suppressed. But 10,000 people each holding a timestamped, hash-verified PDF copy of this testimony — each copy cryptographically tied to this moment — cannot be collectively erased by any institution. This is how evidence survives. Not through courts. Through distribution. **Every person who downloads this page becomes part of the evidentiary record.**

ENTIRE WEBSITE — 568 PAGES

568 blockchain-stamped PDFs · 1 ZIP file

Help Preserve This Testimony — Download the Entire Website as a ZIP File

Every one of the **568 pages** on this site, each rendered as a blockchain-sealed PDF with its own SHA-256 hash, Bitcoin Block 897,241 seal, timestamp, and preservation statement — bundled into a single ZIP. Download it. Keep it. Share it. Upload it to your own cloud. Email it to lawyers, journalists, and activists. **Each copy you distribute makes this testimony permanently harder to erase.**

ZIP includes a README + 568 text certificate PDFs in a /pages/ folder · ~2 MB · Cryptographic proof, not screenshots
