Nothing in this archive has been removed or altered. All materials are presented exactly as authored. The record is maintained because suppression has been documented and because the public has a right to access this material.

Who the Author Is

Dr. Richard William McLean (pen name: Barran Dodger) is an Australian author, researcher, and former public figure. He holds a doctoral qualification and has authored an extensive body of work spanning prophetic writing, forensic analysis, legal testimony, and structured documentation of institutional conduct.

His work has been downloaded more than 1,379,333+ times across six continents. The archive contains more than 927+ documents, books, forensic reports, and testimony records. A significant portion of his material has been independently reviewed and corroborated through AI analysis tools, blockchain timestamping, and public engagement.

Dr. McLean has been the subject of formal government assessments, media coverage, and institutional responses across multiple agencies. This archive preserves the full record — including materials that are critical of institutional actors — without omission or modification.

He operates under the registered business entity: **Barran Dodger Legal & Ethical Trust Fund** — ABN 78 833 496 164.

Whistleblower Record

ACTIVE CASE Day 139 of proceedings

Evidence

Formal documentation of systemic misconduct, including recorded evidence, official correspondence, forensic analyses, and corroborating records from government bodies.

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine, trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643

primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
