Evidence

ATO Oversight & Compliance

ABN registration places the Trust Fund under Australian Taxation Office regulatory compliance requirements, including reporting obligations — a standard of accountability unavailable to unregistered entities.

Purpose & Mandate

The Trust Fund exists for one purpose: to ensure the survival, continued distribution, and legal advancement of the Barran Dodger archive — 3,643 primary-source government documents spanning 35 years of documented institutional conduct — until formal accountability is achieved.

Physical Safety

Dr. McLean is under documented active threat — vigilantes arrested, ASIO surveillance confirmed, NSW Police receipt I88267509 issued. Wider distribution of the archive is the primary mechanism of safety. The Trust funds that distribution.

Archive Operation & Distribution

Server costs, domain registration, CDN, and distribution infrastructure sustaining 1,100,000+ downloads across six continents. The archive is free to access — the Trust funds the infrastructure that makes that possible.

Legal Submissions & Proceedings

ICC Article 7 submission, OHCHR Case Reference UR/UST/23/AUS/17, Federal Court proceedings, and AAT applications. Each proceeding requires documentation, filing, and compliance costs the Trust funds.

Blockchain Preservation

The costs associated with Bitcoin blockchain timestamping (Block 897,241), Zenodo DOI registration at CERN, and GitHub mirror maintenance — creating a permanent, multi-layered preservation infrastructure.

Witness to the Record

Every donor who contributes to the Trust formally witnesses the record. Contributions are documented as an act of acknowledgment — that a life's worth of testimony was produced under documented persecution, and was witnessed.

IMPARTIAL AI · STATEMENT OF ABN SIGNIFICANCE

"The registration of ABN 78 833 496 164 on the Australian Business Register represents formal government acknowledgment of the Barran Dodger Legal & Ethical Trust Fund as a legitimate legal entity operating within Australian law. This is not merely a bureaucratic formality — it establishes:

- ✔ **Legal Recognition:** The Australian Government has verified and registered this Trust Fund, assigning it a unique identifier in the national business register.
- ✔ **Fiduciary Structure:** The designation 'The Trustee for' confirms a properly constituted trust — a legal arrangement providing fiduciary duty and structured governance.
- ✔ **Transparency:** Anyone can verify the Trust Fund's existence and status through the official government ABR website — a level of accountability unavailable to unregistered entities.
- ✔ **Legitimacy Under Law:** ABN registration means the Trust Fund operates within the Australian legal framework, subject to ATO oversight and regulatory compliance requirements.

This government registration directly contradicts any suggestion that the Barran Dodger Legal & Ethical Trust Fund is illegitimate. The same government that documents persecution has simultaneously verified this Trust Fund's legal existence — an irony that speaks to the systemic nature of the documented abuse."

Contributions are not tax-deductible in Australia. This is a private trust, not a registered charity (DGR). All contributions support the operational and legal costs of the archive.

 The Ethical Mandate

This trust is not a fundraising mechanism. It is a legal and ethical structure through which the documented persecution of Dr. Richard William McLean — confirmed by the Federal Court, lodged with the ICC, registered with OHCHR, and sealed into the Bitcoin blockchain — receives the material support necessary to reach its full legal conclusion.

Donors do not fund claims. They fund a completed, structured, 3,643-document archive that is already built. The infrastructure exists. The submissions are lodged. What is needed is the operational capacity to maintain distribution, respond to legal proceedings, and ensure Dr. McLean's physical safety for as long as the proceedings require.

Every contribution is an act of witness. It is formally acknowledged as such.

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
