FORMAL NOTICE OF PERMANENT REMOVAL

I Am Removing Sukhi Tear From My Life — For the Last Time

NDIS Support Coordinator — Diversitas WA | Formally Disengaged

This is a legally fortified, fact-checked, evidence-based statement of permanent disengagement from Sukhi Tear. It is not a venting exercise. It is a forensic record. It identifies five documented reasons for removal, places them in writing under my name, and submits them to the permanent archive.

"She is laughing. Let her laugh. The last laugh belongs to the man who survived everything she enabled and kept every record they told him to destroy. The record is now at The Hague. The record is now this."

Subject of Removal: Sukhi Tear — NDIS Support Coordinator, Diversitas WA

How She Will Be Remembered

⚠ Forensic Notice: This removal notice is a permanent exhibit in the McLean evidence archive, formally submitted to the ICC and UNHCR. It is supported by 2,304 blockchain-verified primary source documents. A formal police referral naming Diversitas WA and Sukhi Tear was lodged 12 February 2026. All named parties have had full public access to the archive for years and have not contested a single exhibit. Silence constitutes confirmation of record.

⊘ THE DECLARATION

I, Dr. Richard William McLean, PhD, whistleblower, survivor, and author of the most thoroughly documented institutional persecution case in Australian history — formally, permanently, and without reservation remove Sukhi Tear from my life, from my NDIS care arrangements, from my professional contacts, and from any future engagement of any kind.

This is not the first time I have made this decision. It is the last time I will need to. The difference is this document.

Every previous removal existed in my mind, in private communications, or in the grief of someone who still held, despite everything, some residual hope that the person designated to support him might one day demonstrate that she had actually cared. That hope is not naive. It is human. But it is finished.

I am placing this removal in writing — publicly, forensically, in the archive that has been received at The Hague — because a removal without a reason is a preference, and a removal with reasons is a record. I am making a record. I am doing what I have always done: keeping the documentation that they counted on me not keeping.

She is laughing at me. She has been laughing. She accepted the money. She imposed the conditions. She kept the salary. She watched. And she laughed.

The laugh is hers for now. But the archive is mine. And the archive goes to The Hague. And The Hague does not laugh.

What follows are five formally documented, evidence-based reasons for this removal. They are not opinions. They are findings. They are the kinds of findings that carry a reference

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
