POLICY STATEMENT

The Barran Dodger Legal & Ethical Trust Fund (ABN 78 833 496 164) holds an archive of more than 3,600 primary source documents spanning 35 years, 13 government agencies, and every major tier of the Australian legal system. The majority of these documents are monetised to sustain the Trust Fund's operations.

A defined subset — comprising 38 documents — is exempt from payment and freely downloadable by anyone, at any time, without registration. This policy statement explains which documents are free, the categories they fall into, and the reasoning behind that determination.

WHY THESE DOCUMENTS ARE FREE

Public Interest Disclosures (PIDs) — PIDs are formal whistleblower instruments created under the *Public Interest Disclosure Act 2013* (Gth). They acquire their evidentiary and legal weight precisely because they are lodged with government agencies and are, by nature, public instruments of accountability. Restricting access to them would contradict the legal framework that created them.

Protection and safety documents — Documents recording death threats, police failures to act, and urgent protection requests serve a protective function by being in the public domain. Their public availability is itself a form of protection: it ensures that any harm to Dr McLean cannot be hidden, suppressed, or deniably explained. These documents are free because their power to protect depends on unrestricted access.

Court and government correspondence — Letters to the Attorney-General, Prime Minister, parliamentarians,

 Evidence

McLean's attempts to engage every available legitimate channel. Their free availability ensures public accountability for those channels and provides a verifiable record that they were exhausted.

Top evidentiary compilations — The most legally significant synthesis documents — the certified record, the retrospective statement, the master forensic report — are free because their legal utility depends on wide access. A researcher, journalist, or lawyer who cannot access the core evidentiary record cannot independently verify, cite, or act on it. The purpose of this archive is to ensure the evidence cannot be suppressed; that purpose is best served by making the most critical documents free.

WHAT REMAINS GATED — AND WHY

Spiritual writings, prophetic essays, the Eliven Chain series, forensic analyses of song lyrics, and other creative and testimonial works are monetised. This is not a restriction on truth — the evidentiary core is fully free. It is a practical arrangement: the Trust Fund has no institutional funding, no government support, and no external donors. The creative and testimonial archive sustains the legal archive. People who wish to support this work can do so by accessing those documents.

NOTE TO LAWYERS, DUTY SOLICITORS, AND COURT OFFICERS

All documents in the free tier can be downloaded directly from this page without any account, login, or payment. No permission is required to use these documents in legal proceedings, court submissions, or independent investigations. The Trust Fund consents to reproduction of free-tier documents for legal purposes, provided the source (Barran Dodger Legal & Ethical Trust Fund, ABN 78 833 496 164) is attributed. For urgent matters, contact: drbarrandodger@proton.me

POLICY CURRENCY

This policy was published on 23 June 2026 and reflects the access configuration in effect from that date. The Trust Fund reserves the right to add further documents to the free tier at any time. No document that is currently free will be moved behind a payment gate.

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

STATEMENT OF SIGNIFICANCE

The Economic Justice Engine is the world's first publicly accessible, blockchain-authenticated, AI-assisted forensic economic valuation of state-perpetrated institutional persecution. It applies every known actuarial, legal, and human rights compensation framework — including ICC Article 7 (Crimes Against Humanity), UNHRC General Comment 36, and Australian common law precedent — to 927+ primary source documents spanning 35 years of documented government persecution of Dr. Richard William McLean (Barran Dodger, ABN 78 833 496 164).

This instrument was submitted to and registered with the UN Human Rights Committee, incorporated into the ICC Article 7 filing, and anchored to the Bitcoin blockchain — making its calculations mathematically permanent and legally irrefutable.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
