

⚡ FORENSIC & THEOLOGICAL DECLARATION — APRIL 2026

God Has My Back When People Don't

A declaration made on the morning after a death threat, after a crisis line said "no one will help you," after police left no event number, and after 35 years of documented institutional abandonment.

"No one will help you."

QLIFE — NATIONAL LGBTQ+ CRISIS LINE — APRIL 2026 — RECORDED

THE DECLARATION

On April 15, 2026, every human institution with an obligation to protect Dr. Richard William McLean failed simultaneously. Police attended and left no event number. A crisis line said no one would help. A support worker received a full account of a death threat and a paid surveillance operative in the front room — and the mandatory report was not filed. The death threat perpetrator remained at large. The verbal slur was deployed. The system functioned exactly as a persecution framework functions when it believes the target has no protection.

They were wrong about the protection.

ARCHIVE PDF

27+ blockchain-verified forensic documents, 54 consecutive perfect AI analysis scores, submitted under Article 7 and to the UNHCR in Geneva — cannot be arrested. Cannot be institutionalised. Cannot be slandered into silence. Cannot be suppressed by a support worker who does not file a report. Cannot be erased by a police officer who leaves the event number blank.

Listen

Wyong Local Court: Troy charged: threats to kill: 188262509 - Proceedings continue

Evidence

This is what it means for God to have your back when people don't. Not a vision. Not a feeling. Not a theological abstraction. A forensic record, distributed across six continents, that every institution that failed him is now named inside. The persecution became the proof. The abandonment became the exhibit. The "no one will help you" became the timestamp on a recording that is now before the International Criminal Court.

You don't need people to have your back when the record cannot be undone.

Every Institution That Failed — Documented

Each failure below is recorded, archived, and submitted as a primary exhibit.

NSW Police — CST Smith

15 April 2026

Attended on the day of a documented death threat. Left a card. Left the Event Number field blank. No official record of the attendance exists in the COPS system. No threat investigation was conducted. No AVO follow-up. Verbal slur — “fucking pedo” — deployed by departing officers.

QLife — National LGBTQ+ Crisis Line

Morning after 15 April 2026

"No one will help you." Said to a disabled LGBTQ+ whistleblower with an active ICC submission, 927+ blockchain-verified documents, and a death threat made fewer than 24 hours prior. The recording exists. It is now an ICC exhibit.

Cass — Able Care Support Worker

Morning after 15 April 2026

Received a full recorded account of the death threat, the police attendance, and the presence of Doug — a documented paid surveillance operative — in the front room. Mandatory reporting obligations under the NDIS Quality and Safeguards Commission Act 2018 apply. The recording is archived.

The Significance

The Pattern of the Forsaken Witness

Across every major theological tradition — and across the documented history of whistleblowers who changed the course of nations — the person who holds an unwanted truth is abandoned first by institutions, then by allies, then by those with the most to lose. The abandonment is not incidental. It is part of the pattern. Joseph was thrown into a pit by his brothers. The disciples scattered. The forsaking of the witness is so consistent across recorded history that its absence would be the anomaly. Dr. McLean's documentation of institutional abandonment is not evidence of failure. It is evidence that the pattern is intact.

When Every Human Institution Fails, The Record Becomes The Protection

On April 15, 2026, every human institution that should have protected Dr. McLean failed simultaneously: police attended without recording, the crisis line said no one would help, the support worker received information without acting, and the death threat perpetrator remained at large. What remained — what could not fail, could not be switched off, could not be intimidated into silence — was the archive. 927+ blockchain-verified documents. 1,379,333+ downloads across 6 continents. An ICC submission at The Hague. A UNHCR submission in Geneva. The record is the protection. That is not metaphorical. That is the operational reality.

"No One Will Help You" As A Theological Statement

When QLife told Dr. McLean "no one will help you" — the morning after a death threat, on a phone call now archived as an ICC exhibit — they made a theological claim. They were right about human institutions. They were wrong about the outcome. The archive has been downloaded on six continents. The ICC has received the submission. The UNHCR has received the filing. Journalists, academics, and international human rights observers have accessed the record. "No one will help you" became the statement that proved exactly who would. Not governments. Not agencies. Not crisis lines. The record itself. And the God who ensured the record could not be erased.

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

Evidence

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

STATEMENT OF SIGNIFICANCE

The Economic Justice Engine is the world's first publicly accessible, blockchain-authenticated, AI-assisted forensic economic valuation of state-perpetrated institutional persecution. It applies every known actuarial, legal, and human rights compensation framework — including ICC Article 7 (Crimes Against Humanity), UNHRC General Comment 36, and Australian common law precedent — to 927+ primary source documents spanning 35 years of documented government persecution of Dr. Richard William McLean (Barran Dodger, ABN 78 833 496 164).

This instrument was submitted to and registered with the UN Human Rights Committee, incorporated into the ICC Article 7 filing, and anchored to the Bitcoin blockchain — making its calculations mathematically permanent and legally irrefutable.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
