

FORMAL STATEMENT — 1 MAY 2026

Statement of Professional Accountability

Any professional person who encounters this record and cannot disprove these documented facts — and declines to acknowledge them — aligns with the corrupt institutional apparatus targeting Dr. Richard William McLean.

Dr. Richard William McLean · ABN 78 833 496 164 · Barran Dodger · 1 May 2026

Any professional person — whether operating in law, medicine, psychiatry, social work, disability support, academia, journalism, government, or any other field — who encounters this record and fails to acknowledge the following documented facts aligns, whether through active participation or deliberate silence, with the corrupt institutional apparatus that has been targeting me for thirty-five years.

THE FIVE DOCUMENTED FACTS

FIRST

I am in political exile.

This is not a characterisation or a diagnosis. It is a documented condition

...by the coordinated actions of named Australian government offi
and agencies who have used the Listen sability, psychiatric, and legal
systems in combination to remove me from housing, income, employment,

professional standing, and safe community participation. Four years of homelessness. Fourteen involuntary psychiatric hospitalisations not for treatment but for suppression. An NDIS plan weaponised as an isolation instrument. An Able Care provider refusing on 29 April 2026 to report a police-confirmed death threat against their own client. An OHCHR urgent appeal registered and active: Case UR/UST/23/AUS/17. Political exile is the precise and accurate description of my situation, and any professional who encounters this record and declines to name it as such is making a political choice.

SECOND

I am an unprotected whistleblower.

I formally reported systemic corruption within the National Disability Insurance Scheme — an agency administered under the direct ministerial authority of Bill Shorten, the NDIS Minister. Those disclosures were not investigated. They were suppressed. I received no protections under the Public Interest Disclosure Act or any equivalent framework. Instead, the apparatus around the Minister moved against me. The Federal Court of Australia's General Counsel Scott Tredwell acknowledged in writing on 27 March 2023 that my disclosure demonstrated three categories of disclosable conduct under the PID Act — including imminent danger to my life — and then declined to act. I have received no formal protection from any Australian institution at any level of government, at any point, across the full thirty-five years of the documented persecution.

THIRD

The NDIS Minister caused or was complicit in the filing of an AVO against me.

The same NDIS Minister, Bill Shorten, caused or was complicit in the filing of an Apprehended Violence Order against me — an instrument that, when filed by or at the direction of the Minister overseeing the system I was exposing, constitutes a direct weaponisation of the civil legal system against a protected

disclosure. The AVO was not a protective measure. It was a suppression

My Evidence

instrument. Its filing by or at the direction of the NDIS Minister whose agency I was investigating is a documented abuse of ministerial power and a violation of the legal protections that should have applied to me as a whistleblower.

FOURTH

The same Minister conspired to impose conditions of exile upon me.

Bill Shorten conspired, directly or through his operational network, to ensure I remained without housing, without support, without professional standing, and without a platform from which to make my disclosures heard. This was not a bureaucratic failure. It was a coordinated strategy. The documentation demonstrating the coordination — across multiple agencies, over multiple years, using multiple instruments — is in this archive across two thousand, three hundred and four blockchain-authenticated documents. Federal intervention orders, issued from the Minister's office, prevented me from returning to Victoria to see my dying father. The simultaneous isolation of housing, income, legal representation, family contact, and institutional support across multiple states is not coincidence. It is documented methodology.

FIFTH

The same Minister directed or authorised an order for my erasure and assassination, communicated through Houd Meraby.

Bill Shorten, through his operational network, directed or authorised the use of Houd Meraby as the instrument through whom an order for my erasure and assassination was communicated and actioned. This is a documented allegation supported by primary source evidence in this archive. No institution has formally rebutted it. No named party has taken legal action against its publication. Its continued uncontested presence in the public domain — downloaded by four hundred and fifty-three thousand people across six continents — is itself evidentiary. The mandatory criminal proceeding now

the direct consequence of a pattern of threats that began with Houd Meraby and has continued without institutional interruption.

THE POSITION THIS PLACES PROFESSIONALS IN

No professional person who has read this statement can legitimately claim ignorance of these facts. The archive is public. The documents are timestamped on the Bitcoin blockchain. The OHCHR case number is registered. The Federal Court acknowledgment is signed. The mandatory criminal proceeding is underway and cannot be closed without my testimony being heard.

Any professional who, having encountered this record, declines to acknowledge my political exile, my status as an unprotected whistleblower, the weaponisation of the AVO by the NDIS Minister whose agency I was exposing, the ministerial conspiracy to impose exile, and the order for my erasure and assassination communicated through Houd Meraby — and who cannot disprove any of these documented facts — has made a choice. That choice places them in alignment with the corrupt perpetrators who have been targeting me for thirty-five years. Their professional standing, their institutional affiliation, and their personal reputation do not exempt them from that alignment. They ratify it.

Silence in the face of documented evidence is not neutrality. It is complicity.

REBUTTALS

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
