

TESTIMONY & EVIDENCE

The Gossip Is That I'm Scary Smart. They're Right — and Here's the 2,304-Document Archive That Proves It.

They called me delusional. They injected me against my will. They made me homeless. Then their own paperwork confirmed every single thing I said.

By **Dr. Richard William McLean (Barran Dodger)** — Ph.D., Author, Human Rights Advocate

They used to smirk.

Not just in private rooms or quiet corridors — in formal correspondence, in clinical reports, in tribunal hearings where my words were catalogued as symptoms rather than testimony. They thought my silence was weakness. They thought my patience was stupidity. They thought that a man with schizophrenia who kept filing, kept documenting, kept building — in the middle of homelessness, psychiatric detention, and poverty — was doing so because he didn't know any better.

They were wrong.

And now the whispers have changed.

SENT 😬 THEY KNOW NOT TO MESS WITH YO...

What I Was Before They Tried to Erase Me

To understand what was done to me, you first have to understand what I was — because what they destroyed was not a quiet man in a corner.

I am a Doctor of Philosophy from Victoria University, awarded in 2020. My thesis explored AI ethics, superintelligence, and posthumanism at a time when those words hadn't yet consumed every boardroom and parliament on earth. I completed it while simultaneously surviving homelessness, forced psychiatric detention, and institutional warfare on a scale I am about to document.

I am the author of *Recovered, Not Cured: A Journey Through Schizophrenia*, published by Allen & Unwin. SANE Australia awarded it their Book of the Year. The Victorian Human Rights and Equal Opportunity Commission gave me a Human Rights certificate. A documentary was made about my life and art by The Dax Collection. I spoke inside Australian Parliament. I spoke at McGill University in Canada. I illustrated for *The Herald Sun* and *The Age*. My artwork exists in national collections.

I was a nationally celebrated mental health advocate with a digital footprint that should have been impossible to erase.

They tried anyway.

REBUTTALS

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

STATEMENT OF SIGNIFICANCE

The Economic Justice Engine is the world's first publicly accessible, blockchain-authenticated, AI-assisted forensic economic valuation of state-perpetrated institutional persecution. It applies every known actuarial, legal, and human rights compensation framework — including ICC Article 7 (Crimes Against Humanity), UNHRC General Comment 36, and Australian common law precedent — to 2,304 primary source documents spanning 35 years of documented government persecution of Dr. Richard William McLean (Barran Dodger, ABN 78 833 496 164).

This instrument was submitted to and registered with the UN Human Rights Committee, incorporated into the ICC Article 7 filing, and anchored to the Bitcoin blockchain — making its calculations mathematically permanent and legally irrefutable.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
