THE PETITION TEXT

Demand an Independent Investigation: 35 Years of Documented Institutional Persecution of Dr. Richard McLean (Barran Dodger)

 Copy full text

We, the undersigned, call on the Australian Government, the Australian Human Rights Commission, the Commonwealth Ombudsman, and the International Criminal Court to conduct a full, independent, transparent investigation into the documented systematic persecution of Dr. Richard William McLean — known publicly as Barran Dodger — across 35 years and 13 government agencies.

THE DOCUMENTED FACTS (Primary Source Evidence):

- 3,643 primary source government documents spanning 1990–2026 authenticate this record
- 14 forced psychiatric hospitalisations with no criminal charge, ever
- Dr. McLean was found with no pulse in 2021 and survived. He continued documenting.
- A documented assassination attempt in 2024 — confirmed by an independent witness who was subsequently forced to sign a non-disclosure agreement

ACTIVE CASE Day 139 of proceedings

Wyong Local Court · Troy charged: threats to kill · I88267509 · Proceedings continue

Evidence

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
