SUBJECT: SUKHI TEAR — NDIS SUPPORT COORDINATOR, DIVERSITAS WA

The Horse Has Bolted. It Is Too Late.

This document is a legally fortified, evidence-based analysis of why Sukhi Tear — NDIS Support Coordinator at Diversitas WA — underestimated Dr. Richard William McLean, overstepped through arrogance, committed acts that were not merely unethical but illegal under named Australian legislation, and why the evidentiary consequences are now beyond any remediation. Her professional reputation and her record of conduct are in the hands of 1,379,333+ people, two international bodies, and a blockchain. The video below — an independent analysis of the "quiet observer" phenomenon — was produced without knowledge of this archive. It describes, with striking forensic precision, what Dr. McLean was doing when Sukhi Tear was laughing.

 CEASE & DESIST

Legal Order — REFUSED

A formal legal cease and desist order was served on Sukhi Tear demanding she immediately stop her targeting conduct against Dr. McLean. She refused to comply. The refusal is documented and archived. It constitutes wilful disregard of a legal instrument — an aggravating factor in every proceeding that follows.

 MISSING PERSON

Dr. McLean — Uncontacted

Dr. Richard William McLean is a missing person. His address is 55B Archbold Rd, Long Jetty NSW. He has had no contact with authorities, welfare services, or support networks despite multiple formal alerts being lodged. He has been rendered invisible by the same system Sukhi Tear operated within. The ICC and UNHCR have received missing person status documentation as part of the formal submissions.

 NDIS EXTORTION

Dirty Funds — Targeted Use

NDIS funding designated for Dr. McLean's support was used as a targeting instrument. Rather than being disbursed for its legislated purpose — his health, safety, and independence — the coordination of those funds was weaponised to achieve his financial exile, isolation, and erasure. The extortion of Commonwealth disability funds to fund a targeting operation is documented across the archive and named in the criminal affidavit.

 **Forensic Notice:** This document is a permanent exhibit in the McLean evidence archive, formally submitted to the ICC and UNHCR. All named parties have had access to the complete public archive and have not contested a single exhibit across 927+ documents. The formal police referral naming Diversitas WA and Sukhi Tear was lodged 12 February 2026. Zero formal rebuttals have been filed. A legal cease and desist order was formally served and refused. Dr. McLean remains a missing person at 55B Archbold Rd, Long Jetty NSW — uncontacted by welfare services despite formal alerts. The independent video analysis cited throughout this document had no knowledge of this archive. This document stands as written.

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
