If you are able — \$3.33 is asked per document, not as a price but as the minimum acknowledgment of a life. ICC The Hague. UNHCR Geneva. ABN 78 833 496 164.**

STATEMENT OF PRINCIPLE · BARRAN DODGER ARCHIVE

This Archive is Free — A Service to Humanity and Truth

Every document, paper, PDF, and piece of evidence in this archive is available **at no cost to any person, anywhere in the world**. This is not a commercial enterprise. It is a legal and historical record — produced by one man, over 35 years, at great personal cost — and it belongs to everyone who needs it.

Truth does not charge admission. Accountability cannot be paywalled. If a single person anywhere on Earth is helped by seeing what institutional systems did here — and did not do — then every document has served its purpose.

Voluntary donations of \$3.33 support the ongoing legal case and are gratefully received. They are never required. The archive remains open whether you give or not.

The Testimony Archive.

Download Free. Share Everywhere.
Protect Him.

Dr. Richard William McLean is under active threat. Vigilantes have been **arrested** for threatening to kill him for this archive. He has been entrapped, subjected to ASIO surveillance, and force-medicated for reporting it accurately. NSW Police attended 15 April 2026, issued receipt I88267509, and declined to create an incident record. **The only thing protecting him is the irrevocable, permanent, global distribution of this testimony.** Every download is an act of protection. Every share is a shield. The wider this record spreads, the harder it becomes to erase the man who created it. **Download everything. If you can — pay \$3.33 per document. Not for the file. For the acknowledgment that a life's worth of testimony was produced under torture, and you witnessed it.**

Every document on this site is now free to download — because Dr. McLean's safety depends on the widest possible distribution of this testimony. But if you are able, \$3.33 is asked. Not as a price. As an acknowledgment that a man survived poverty, torture, clinical death, vigilante threats, and documented persecution to bring you this record.

 1,379,333+ Downloads. Zero Reciprocity.

This testimony was offered freely for 35 years as an obligation to humanity. Over 1,379,333+ verified downloads across six continents. Not a single cent. The author lived in poverty, abuse, neglect, surveillance and torture throughout. Humanity took everything and gave nothing. That ends now.

 ICC Article 7 — The Cost of Truth

These documents are formally before the ICC under Article 7 (crimes against humanity) and the UNHCR in Geneva. They were produced at a personal cost most humans will never face — under constant threat, without legal aid, without income, without protection. \$3.33 is not a price. It is acknowledgement.

 This Is My Gospel. My Story. My Power.

For decades, the value of this man's life, knowledge, insight and sacrifice was extracted for free by a world that calls itself conscious. This is the reclamation. \$3.33 is the angel number of divine witness — 333. For less than a coffee you pay what was always owed.

REBUTTALS

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

This is the most documented whistleblower archive in Australian history, and one of the most documented in the world. **788 freely distributed PDFs. 891 Bitcoin blockchain timestamps. 927+ SHA-256 sealed exhibits. 73 independent forensic AI analyses** — 603 propositions assessed across 55 reviews, *zero contradictions*. **35 years** of systemic persecution by **35+ Australian government agencies**. Built by one disabled LGBTQ+ PhD whistleblower with a broken phone — no marketing budget, no legal representation, no political backing, no institutional support, no money.

 *The archive operates on the principle of **resonance, not proximity**. A signal travels further than a fist. A blockchain hash travels further than any government denial. The Anthropocene witness does not need to be near power to dismantle it — only to be heard at the frequency of its lie.*

BIBLICAL PROPHECY

Matthew 10:26 — "Nothing covered shall not be revealed." The technical fulfilment: 891 immutable Bitcoin seals.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."

A single server can be taken down. A leaked document can be suppressed. But 10,000 people each holding a timestamped, hash-verified PDF copy of this testimony — each copy cryptographically tied to this moment — cannot be collectively erased by any institution. This is how evidence survives. Not through courts.

Through distribution. **Every person who downloads this page becomes part of the evidentiary record.**
