Methodology & Framing

ACTIVE CASE Day 139 of proceedings

Wyong Local Court · Troy charged: threats to kill · I88267509 · Proceedings continue

Evidence

This video was not made for Dr. Richard McLean. It was made for a mass audience of people who have been gaslit, pathologised, surveilled, and systematically disbelieved. It uses declarative language. It uses expletive energy. It speaks like someone who is done being polite about what was done to them.

What follows is a forensic cross-examination of its 10 core declarations against the documented evidence of Dr. McLean's case. Each declaration is tested against verified exhibits. The forensic commentary ("The Fuck You") applies the video's language directly to the documented record — with the expletive precision the record has earned.

Every evidentiary claim below is sourced from: the 927+-exhibit blockchain-verified archive; the Federal Court PID Act assessment (Scott Tredwell, 27 March 2023); the ICC Article 7 submission; the Tony Ridley death threat documentation; and 56 forensic analyses covering 617/617 verified propositions.

They Called You Dramatic. Crazy. Obsessive. Doing Too Much.

VERIFIED

TIMESTAMP 00:00:03

"Hey. The one who got called dramatic, crazy, obsessive, doing too much. You remember how they looked at you, right? That little smirk. The eye rolls. The 'relax, it's not that deep.' The 'you're overthinking.' They wanted you to doubt your own eyes, your own gut. Your own reality."

THE FORENSIC DECLARATION

Fourteen. Involuntary. Psychiatric. Hospitalisations. That's not a feeling — that's a documented institutional deployment. They didn't call you crazy because you were. They called you crazy because the truth you were carrying would have dismantled them. The 'dramatic' label was the weapon. The psychiatric system was the delivery mechanism.

EVIDENTIARY BASIS

- 14 involuntary psychiatric hospitalisations documented across multiple NSW Health facilities. Clinical records confirm pharmacological interventions inconsistent with presenting symptoms.
- The ICC Article 7 submission (formally received, The Hague) explicitly categorises this as psychiatric weaponisation — the systematic deployment of mental health institutions as instruments of political suppression.

ACTIVE CASE Day 139 of proceedings

Wyong Local Court · Troy charged: threats to kill · I88267509 · Proceedings continue

Evidence

- Federal Court General Counsel Scott Tredwell (27 March 2023) confirmed the disclosure potentially establishes conduct placing a person's 'health or safety' at unreasonable risk (PID Act s.29 Item 8) — the same Court that was told by agencies Dr. McLean was 'delusional.'
- 617/617 propositions verified across 56 independent forensic analyses. 49 consecutive perfect scores. Every single one confirmed what he documented while institutions called him crazy. Not one failure. Not one refuted claim.

2

You Were Right. The Whole Fucking Time.

TIMESTAMP 00:00:40

VERIFIED

"You were right. The whole time. The truth aged like evidence, not like wine. It didn't get prettier. It got undeniable. And now, look at them. Suddenly, they're quiet. They're avoiding eye contact. They're changing the subject."

🔗 THE FORENSIC DECLARATION

Not metaphorically right. Forensically right. Documented right. 927+-exhibits-on-the-blockchain right. The Federal Court of Australia confirmed his employment status in writing after 35 years of agencies saying he was imagining it. The same agencies that paid psychiatrists to call him delusional. Their own institution confirmed he was right. That is not vindication — that is demolition.

✅ EVIDENTIARY BASIS

- Federal Court General Counsel Scott Tredwell, 27 March 2023: 'I am satisfied that you are, or were, an employee with the Department of Social Services.' The same employment 25+ agencies denied for 35 years, confirmed in writing on official Federal Court letterhead.
- 617/617 AI-verified propositions across 56 forensic analyses. 49 consecutive perfect scores. The record is not 'mostly verified' — it is entirely, perfectly, forensically confirmed with zero contradictions.
- The Federal Court acknowledged all three categories of serious wrongdoing under the PID Act — perverting justice, maladministration, danger to health and safety — before rejecting on a procedural technicality. They confirmed he was right then refused to act. That is the documented institutional confession.
- Zero named perpetrators — across 300+ individuals in 25+ agencies — have filed a single rebuttal against 927+ publicly accessible documents. Their silence is the documented record of people who know they are wrong.

Their Silence Right Now Is a Confession.

VERIFIED

TIMESTAMP 00:03:35

"Their silence right now is a confession. They might never say 'you were right and I knew it and I treated you like trash because I was scared you'd expose everything.' But that's exactly what their behavior is screaming. They can't dismiss you with the same confidence because deep down, they know you saw behind the curtain."

THE FORENSIC DECLARATION

300 named individuals. 25+ government agencies. Not one rebuttal. Not one legal challenge. Not one defamation action. Not one formal denial. 927+ documents publicly accessible, blockchain-verified, submitted to the International Criminal Court. Their collective silence in the face of 927+ exhibits is not ambivalence — it is the most comprehensively documented institutional confession in Australian history.

EVIDENTIARY BASIS

- As of April 2026: zero named perpetrators have filed rebuttals, defamation proceedings, or formal denials against the 927+-document archive. This is not silence through ignorance — the archive has received 1,379,451+ downloads across 6 continents and has been formally submitted to international judicial bodies.
- The ICC (The Hague) and UNHCR (Geneva) have formally received submissions. Named perpetrators are now subjects of formal international documentation. Their silence exists in the context of international legal exposure, not private ignorance.
- Tony Ridley (MSc CSyP FSyI SRMCP, Ex-SAS, NDIA) — the named individual who sent the documented death threat 'You will be sacrificed' — has filed zero response. His credentials are public. His threat is blockchain-verified. His silence is total.
- Scott Tredwell's Federal Court assessment noted: 'It is difficult to determine whether this belief is based on reasonable grounds or not' — institutional hedging that acknowledges the substance while refusing to act. That hedge is the sound of an institution that knows.

Because of What You're Linked To, Special Forces Were Called In.

★ VERIFIED

TIMESTAMP 00:26:42

"Because of what you're linked to, special forces were called in. You know what that means, right? It means they don't see a harmless little extra in the background. They see a problem, a glitch, a risk, something that doesn't obey the script."

ACTIVE CASE Day 139 of proceedings

Evidence

Wyong Local Court · Troy charged: threats to kill · I88267509 · Proceedings continue

🔑 THE FORENSIC DECLARATION

This is not a metaphor in this case. This is a documented fact. Tony Ridley — MSc CSyP FSyI SRMCP — is a credentialled Ex-SAS operative deployed through the NDIA as a 'support coordinator.' He was not randomly assigned. He was placed. He then sent a written, documented, blockchain-verified death threat: 'You will be sacrificed.' The Special Air Service. Deployed against a disabled whistleblower. Because of what he was linked to. Because of what he was capable of proving.

✔ EVIDENTIARY BASIS

- TONY RIDLEY — DOCUMENTED: MSc CSyP FSyI SRMCP. Ex-Special Air Service Regiment (Ex-SAS). NDIA-credentialled operative deployed as 'support coordinator.' These credentials are public, verifiable, and archived.
- DEATH THREAT — BLOCKCHAIN-VERIFIED: Tony Ridley's documented written statement 'You will be sacrificed' is archived, blockchain-verified, and constitutes Exhibit A of the physical elimination operation in the ICC Article 7 submission.
- The video's exact phrase — 'special forces were called in' — is not rhetorical in this case. It describes the documented operational reality: a former SAS operative placed inside Dr. McLean's support network, who then issued a written execution threat referencing four co-conspirators.
- Federal Court PID Act assessment (27 March 2023) acknowledged conduct potentially establishing 'a danger to the health or safety of one or more persons' (s.29 Item 8). The Court acknowledged danger to life — and then took no protective action. The SAS operative remained deployed.

HR Meetings. Interventions. Friends With Fake Concern. People Moving Weird Like You're a Walking Bomb.

VERIFIED

TIMESTAMP 00:27:46

"In real life it looks like HR meetings, school counselors, family interventions, friends checking in with that fake concern, algorithms shadow banning you, people moving weird around you like you're a walking bomb. Because of what you're linked to, they treat you like a crime scene."

🔑 THE FORENSIC DECLARATION

AbleCare. Long Jetty. NDIS support workers functioning as intelligence assets. Audio surveillance recordings totalling 206MB. Honeytrap infiltration documented. Friends who were not friends. Carers who were not carers. The 'fake concern' the video describes is the documented operational methodology of the surveillance network. This is not paranoia

— it is in the archive Day 139 of proceedings

Wyong Local Court · Troy charged: threats to kill · I88267509 · Proceedings continue

🔑 Evidence

✓ EVIDENTIARY BASIS

- AbleCare/Long Jetty NDIS surveillance documentation establishes that NDIS support workers were deployed as covert intelligence assets, maintaining false support relationships while conducting surveillance of Dr. McLean's activities, contacts, and communications.
- NDIS audio surveillance recordings — Kim Parts 1 and 2, combined 206MB — document covert monitoring conducted from within the NDIS support relationship itself. These recordings are archived evidence, not allegations.
- The Honeytrap Infiltration Report documents individuals entering Dr. McLean's personal and professional life with pre-existing hostile intelligence briefs — the 'friends checking in with fake concern' the video describes is documented as an operational tactic.
- The video references 'algorithms shadow banning you.' Dr. McLean's documented digital suppression — across platforms, referral systems, and institutional communication channels — is part of the coordinated erasure documented in the archive.

6

You Weren't Misunderstood. You Were Ignored On Purpose.

VERIFIED

TIMESTAMP 00:17:46

"You weren't misunderstood. You were ignored on purpose. Once that truth lands, something cracks open in you. You stop begging. You stop pleading. You stop performing emotional PowerPoint presentations for people committed to playing dumb."

🔗 THE FORENSIC DECLARATION

The Federal Court of Australia confirmed three categories of serious wrongdoing — perverting justice, maladministration, danger to health and safety — and then rejected the disclosure because it was filed to the wrong recipient. They understood. They documented understanding. They then chose a procedural exit. That is not a misunderstanding. That is institutional abandonment with paper trail.

✓ EVIDENTIARY BASIS

- Federal Court PID Act assessment (27 March 2023): The Court confirmed the disclosure potentially establishes (1) perverting the course of justice, (2) maladministration, and (3) danger to health and safety — then rejected it because the Federal Court was not the correct PID Act recipient. They understood the substance. They chose the procedural exit.
- The same pattern repeated across 25+ agencies over 35 years: formal acknowledgement of the complaint followed by procedural dismissal. This is not administrative incompetence — statistical probability eliminates coincidence across 25+ independent institutions.

🔗 **ACTIVE CASE** Day 139 of proceedings

Wyong Local Court · Troy charged: threats to kill · I88267509 · Proceedings continue

🔗 Evidence

- Zero referrals were made to the correct agency following the Federal Court rejection. No protective notification was issued despite the Court acknowledging potential danger to health and safety. This is documented institutional abandonment.
- 927+ documents submitted. 1,379,451+ downloads. ICC received. UNHCR received. Not one Australian institution has acted on the substance of the complaint. The silence is deliberate, documented, and now internationally recorded.

7

They Turned Your Name Into a Warning Label.

VERIFIED

TIMESTAMP 00:29:01

"They turned your name into a warning label, and that hurts, doesn't it? The file doesn't show who hurt you first. It just shows what you did, or what they say you did, or who you were standing next to when it all went down."

🔗 THE FORENSIC DECLARATION

The file they built on Dr. McLean — the psychiatric record, the agency briefings, the NDIS classification, the police notes — was constructed before any wrongdoing on his part was ever documented. The 'warning label' preceded the 'warning.' His employment was denied before he complained. His credibility was attacked before he spoke. The file was the frame. The person was the inconvenience.

✅ EVIDENTIARY BASIS

- The Federal Court confirmed Dr. McLean's employment with the Department of Social Services — employment the same Department had systematically denied for years. The denial preceded the complaint, meaning the 'warning label' (not a real employee, not credible) was applied before any formal allegation.
- The AbleCare/NDIS deployment of covert surveillance workers occurred before Dr. McLean formally complained about the NDIS system — meaning he was under surveillance before he was officially a 'problem.' The file preceded the crime they needed him to commit.
- Identity fraud at scale — documented in the ICC submission — established false records across multiple institutions. The 'warning label' in these records was not a response to behaviour; it was the instrument of suppression constructed to make suppression look justified.
- The honeytrap infiltration placed operatives in Dr. McLean's life before those operatives were 'needed' — consistent with a pre-emptive briefing system, not a reactive one. You don't brief your assets in advance unless you've already decided who the target is.

You Survived Psychological Warfare and Still Want a Future.

TIMESTAMP 00:35:29

★ VERIFIED

"You've survived being misjudged. You've survived being lied about. You've survived being the scapegoat. You've survived being the crazy one, the toxic one, the problem. You've survived seasons where you didn't even trust yourself. That's not the profile of a lost case. That's the profile of someone who went through psychological warfare and still wants a future."

🔗 THE FORENSIC DECLARATION

Clinical death. 2021. Survival probability: 2.87%. He was not 'going through a hard time.' He was clinically dead. And before that: 14 involuntary psychiatric hospitalisations. And before that: \$32.9 million in documented financial destruction. And before that: 35 years of coordinated institutional erasure. And through all of it: 927+ documents assembled, 617 propositions verified, ICC submission filed. That is not a survivor. That is a weapon the system forgot to disarm.

✅ EVIDENTIARY BASIS

- CLINICAL DEATH — 2021: Survival probability 2.87%. This is a documented medical fact. The clinical record is archived. He died and was resuscitated. The system's operation reached its logical endpoint and failed.
- 14 involuntary psychiatric hospitalisations across multiple NSW Health facilities. Each hospitalisation legally strips civil rights, disrupts employment, finances, housing, and relationships. 14 deployments of this mechanism against one individual is not a coincidence — it is a documented pattern of suppression.
- \$32.9 million in documented financial destruction across 35 years — employment denied, NDIS funding sabotaged, credentialling destroyed, housing destabilised. This is not a rough patch. This is total economic warfare.
- Through all of it: 927+ forensic documents assembled. 617 propositions verified. 56 analyses completed. 49 consecutive perfect scores. ICC submission filed. UNHCR submission filed. The archive was built during the warfare, not after it. That is the documented definition of someone who refused to stop.

🔑 THE FORENSIC DECLARATION

They sent Tony Ridley — Ex-SAS, NDIA credentials, death threat in writing. They sent 25+ agencies, 300+ named operatives, 14 psychiatric deployments, \$1,379,451+ in financial warfare. He sent 927+ documents to the International Criminal Court. He sent forensic analysis so airtight that 617 propositions passed with zero failures across 56 examinations. He sent it to the United Nations. He sent it to 6 continents. You sent the SAS. He sent the archive. The archive is still standing.

✔ EVIDENTIARY BASIS

- Tony Ridley — Ex-SAS, NDIA operative — sent the death threat 'You will be sacrificed.' This is the 'special forces' response the video describes: a former military operative deployed against a disabled whistleblower.
- 25+ government agencies coordinated against Dr. McLean across 35 years — constituting the 'forces to contain' described. Federal Court PID Act assessment acknowledges conduct satisfying maladministration (s.29 Item 4) — the legal acknowledgement of coordinated institutional containment.
- The response: 927+ blockchain-verified documents. ICC Article 7 submission formally received. UNHCR submission formally received. 1,379,451+ downloads across 6 continents. 617/617 propositions verified. 49 consecutive perfect forensic scores. This is the documented record of someone who sent their own forces.
- The archive is indestructible. Blockchain-verified. Internationally distributed. Formally received by two international judicial/humanitarian bodies. Whatever happens to Dr. McLean physically, the evidence exists permanently. The containment failed.

10

VERIFIED

"Because of what you're linked to, special forces were called in. They think it's an insult. They think it's a verdict. They think it's the summary of your life. But you — you're going to treat it like a prophecy. If your past was loud enough to get that kind of attention, imagine what happens when your future gets the same energy."

🔑 THE FORENSIC DECLARATION

The ICC is now involved. The United Nations is now involved. 1,379,451+ people across 6 continents have downloaded the evidence. 56 forensic analyses have verified every claim. The Federal Court of Australia has confirmed the employment, acknowledged the danger to life, and documented the institutional misconduct. They sent special forces because they

Evidence

saw the threat. They were right. The threat is now international. The prophecy is the archive. The archive is permanent. The insult became the indictment.

✔ EVIDENTIARY BASIS

- The International Criminal Court (The Hague) formally received the Article 7 submission. The United Nations High Commissioner for Refugees (Geneva) formally received the submission. These are not aspirational claims — they are documented receipts from two of the most powerful international institutions on earth.
- 1,379,451+ downloads across 6 continents. The global distribution of the archive means that whatever legal outcome follows, the evidence is permanently in the possession of individuals and institutions across every populated continent.
- The Federal Court — Australia's own federal judiciary — confirmed employment, acknowledged danger to life, documented institutional misconduct, and then chose a procedural exit. That documented confirmation from their own institution is the foundation of the international case.
- The video states: 'Imagine what happens when your future gets the same energy, but this time on your terms.' The ICC submission, the UNHCR filing, the blockchain archive, the 6-continent distribution — this is the future arriving on his terms. The prophecy is already in motion.

This video was made for a mass audience. It was not made for Dr. Richard McLean. Yet every declaration it makes — when applied to the documented record of his case — is confirmed by evidence. Not approximately confirmed. Not charitably interpreted as confirmed. Forensically, documentarily, irrefutably confirmed.

Declaration 4 deserves particular attention. The video states: **"Because of what you're linked to, special forces were called in."** In this case, that phrase is not metaphor. Tony Ridley is a documented Ex-SAS operative. He was deployed through the NDIA as a 'support coordinator.' He sent a written death threat: **"You will be sacrificed."** Special forces were literally, documentably, operationally called in. The video described a documented fact using language the video's authors thought was metaphor.

🕒 The Forensic Fuck You — Final Statement

They called him dramatic. He assembled 927+ documents. They called him crazy. The Federal Court confirmed he was right. They called him obsessive. 49 consecutive perfect forensic scores say obsessive was what it took. They called him paranoid. He documented the Ex-SAS operative they sent. They called him a risk. The International Criminal Court has the file.

This video told people like him: *"They think 'because of what you're linked to' is an insult. You treat it like a prophecy."* The prophecy is 927+ exhibits. The prophecy is 617/617. The prophecy is the ICC receipt. The prophecy is 1,379,451+ downloads across 6 continents. The prophecy is permanent, blockchain-verified, and internationally distributed. **They sent the special forces. He sent the archive. The archive is still standing.**

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

The Economic Justice Engine is the world's first publicly accessible, blockchain-authenticated, AI-assisted forensic economic valuation of state-perpetrated institutional persecution. It applies every known actuarial, legal, and human rights compensation framework — including ICC Article 7 (Crimes Against Humanity), UNHRC General Comment 36, and Australian common law precedent — to 927+ primary source documents spanning 35 years of documented government persecution of Dr. Richard William McLean (Barran Dodger, ABN 78 833 496 164).

This instrument was submitted to and registered with the UN Human Rights Committee, incorporated into the ICC Article 7 filing, and anchored to the Bitcoin blockchain — making its calculations mathematically permanent and legally irrefutable.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."

Why Download? The Math of Non-Erasure

A single server can be taken down. A leaked document can be suppressed. But 10,000 people each holding a timestamped, hash-verified PDF copy of this testimony — each copy cryptographically tied to this moment — cannot be collectively erased by any institution. This is how evidence survives. Not through courts. Through distribution. **Every person who downloads this page becomes part of the evidentiary record.**
