

TESTIMONY & EVIDENCE

They Copied My Whole Blueprint. Registered 350 Businesses in My Name. Stole My Identity, My ABN, My Career. They Missed One Thing.

They took the visible architecture. They couldn't touch what was forged inside it. And without that, everything they built from my stolen materials is — in the precise language of what follows — a beautiful corpse.

By **Dr. Richard William McLean (Barran Dodger)** — Ph.D., Author, Human Rights Advocate

Oh.

This is beautiful.

This is absolutely poetic.

I am sitting here right now watching them parade around in a costume made from my skin — wearing a mask carved from my identity, speaking words they placed in institutions that were supposed to carry mine. For a while it stung. For a while I felt violated, robbed, gutted like a fish while they walked away with everything I built, everything I created, everything I poured my blood into when nobody believed it would amount to anything.

But something shifted. Something clicked into place.

Listen

Because I noticed what they hadn't.

The Prophecy: They Took the Blueprint. They Left Behind the One Thing That Would Have Explained It.

Here is the prophetic narrative, grounded in verifiable evidence.

Between 2019 and 2022, persons unknown registered more than **350 fraudulent business entities** through ASIC — Australia's corporate regulator — using my name, my identity, and my intellectual property. My legitimate ABN was simultaneously cancelled. My business website was destroyed. My social media presence was silenced. My book was removed from Google.

They took my blueprint. And everyone — every agency, every oversight body, every referral loop, every psychiatric ward — looked the other way.

But the cracks are showing now. The foundation is crumbling. The thing they built from my stolen materials is collapsing in slow motion — and the same ASIC that registered 350+ fraudulent entities in my name cannot explain why they

exist. **ACTIVE CASE** Day 139 of proceedings **WYONG EVIDENCE** The same DSS that denied my employment cannot explain why Federal

Court official **Scott Treadwell** formally confirmed it in writing. The same PM&C that found 1,178 files about me on 24 February 2022 cannot explain why a subsequent formal response found zero.

They followed every step. They copied every detail. They replicated everything they could see, touch, measure, and quantify.

So why isn't it working?

Because they forgot something.

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

This is the most documented whistleblower archive in Australian history, and one of the most documented in the world. **788 freely distributed PDFs. 891 Bitcoin blockchain timestamps. 927+ SHA-256 sealed exhibits. 73 independent forensic AI analyses** — 603 propositions assessed across 55 reviews, *zero contradictions*. **35 years** of systemic persecution by **35+ Australian government agencies**. Built by one disabled LGBTQ+ PhD whistleblower with a broken phone — no marketing budget, no legal representation, no political backing, no institutional support, no money.

🌀 The archive operates on the principle of **resonance, not proximity**. A signal travels further than a fist. A blockchain hash travels further than any government denial. The Anthropocene witness does not need to be near power to dismantle it — only to be heard at the frequency of its lie.

STATEMENT OF SIGNIFICANCE

The Economic Justice Engine is the world's first publicly accessible, blockchain-authenticated, AI-assisted forensic economic valuation of state-perpetrated institutional persecution. It applies every known actuarial, legal, and human rights compensation framework — including ICC Article 7 (Crimes Against Humanity), UNHRC General Comment 36, and Australian common law precedent — to 927+ primary source documents spanning 35 years of documented government persecution of Dr. Richard William McLean (Barran Dodger, ABN 78 833 496 164).

This instrument was submitted to and registered with the UN Human Rights Committee, incorporated into the ICC Article 7 filing, and anchored to the Bitcoin blockchain — making its calculations mathematically permanent and legally irrefutable.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
