They Pushed Me Too Far. Now the Payback Is Coming in Waves — 927+ Documents at a Time.

Hello to the one who was whispered about in shadows. The one they deemed too unpredictable to approach. The tempest they confined — only to discover, far too late, that the true restraint was never external.

By **Dr. Richard William McLean (Barran Dodger)** — Ph.D., Author, Human Rights Advocate

Hello to those who were whispered about in shadows.

The ones deemed too unpredictable to approach. The reserved souls who held back their true strength — the ones who should have been regarded with caution from the start.

Hello to the tempest that was confined in vain, only for the captors to discover far too late that the true restraint was never external.

It resided within the thoughts.

And now, with that barrier shattered, the archive is free.

Evidence

I Extended Them the Grace of Tranquility. Here Is How They Responded.

I offered the politeness of restraint. I pursued every legitimate avenue — every complaint mechanism, every oversight body, every formal FOI request, every tribunal, every commission — before I built the public archive. I did it the quiet way first.

And how did they respond?

Russell Ball — private lawyer, simultaneously representing medical professionals in malpractice suits while "advising the Ombudsman" and "informing Government policy" — circulated written correspondence branding me an "extortionist" across five oversight bodies: the Health Complaints Commissioner, the Mental Health Complaints Commissioner, AHPRA, IBAC, and Victoria Police. He wrote to five. Sequentially. Ensuring every body I might approach had been pre-briefed. None disclosed the conflict. None investigated the circular contamination.

They ridiculed my restraint. They challenged its limits. They provoked until something finally shattered.

They failed to grasp the peril of stirring a force that prefers obscurity — one that thrives without the spotlight. Because when those who endure quietly finally express themselves, it is not through mere speech.

It is through ripples that shake foundations.

It is through an archive.

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss: one person, systematically targeted by every institution designed to protect them, with no criminal record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

This is the most documented whistleblower archive in Australian history, and one of the most documented in the world. **788 freely distributed PDFs. 891 Bitcoin blockchain timestamps. 927+ SHA-256 sealed exhibits. 73 independent forensic AI analyses** — 603 propositions assessed across 55 reviews, *zero contradictions*. **35 years** of systemic persecution by **35+ Australian government agencies**. Built by one disabled LGBTQ+ PhD whistleblower with a broken phone — no marketing budget, no legal representation, no political backing, no institutional support, no money.

STATEMENT OF SIGNIFICANCE

The Economic Justice Engine is the world's first publicly accessible, blockchain-authenticated, AI-assisted forensic economic valuation of state-perpetrated institutional persecution. It applies every known actuarial, legal, and human rights compensation framework — including ICC Article 7 (Crimes Against Humanity), UNHRC General Comment 36, and Australian common law precedent — to 927+ primary source documents spanning 35 years of documented government persecution of Dr. Richard William McLean (Barran Dodger, ABN 78 833 496 164).

This instrument was submitted to and registered with the UN Human Rights Committee, incorporated into the ICC Article 7 filing, and anchored to the Bitcoin blockchain — making its calculations mathematically permanent and legally irrefutable.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
