WHAT THE EVIDENCE DOCUMENTS

- **NDIA Manager** at the National Disability Insurance Agency at time of documented conduct
- Issued a **death threat email** — filed as an ICC Article 7 exhibit
- **Named six co-conspirators** in direct confrontation — stated they were "all on board in deceiving" Dr. McLean
- Conducted **real-time surveillance** of Dr. McLean's personal relationships, triggering a confrontational threat upon contact with Alan Rigby
- Named alongside **Philip Glass, Sukhi Tear, Steve Iasonidis** in coordinated assassination attempt documentation
- His testimony in Analysis #52 names Allen Rigby, Bruce McMaster, Steve Iasonidis, Debbie Morgan, and family as participants
- A security professional whose deceptions were **fatally humiliating** precisely because of the credential disparity

THE IRONY — STATED FOR THE RECORD

Tony Ridley holds the highest internationally-recognised credentials in counter-terrorism, security intelligence, critical infrastructure protection, and risk governance. He advises enterprise boards. He has 30 years of global leadership experience. He is a Chartered Security Professional and Fellow of the Security Institute. And the evidence shows that this man — with all of those credentials, all of that professional standing, all of that institutional authority — was the one who issued a documented death threat email to a whistleblower, named his own conspiracy network in a confrontational confession, and participated in the surveillance of a disabled man's personal relationships for the purpose of suppression.

Dr. McLean — who fought this with nothing but the truth, a broken phone, and his faith — has produced 52 forensic analyses, 561 corroborated propositions, zero

contradictions, 2,304 blockchain-verified documents, and a formal record at the ICC

ANALYSIS #52 — YOU DIDN'T CHASE THE THRONE

EXTENDED PRIMARY SOURCE GALLERY — 17 TIMESTAMPED DOCUMENTS

The Tony Ridley Platform Evidence Record

Every message below was sent to Barran's own platform, The Church of Barran Dodger, while Barran was living in political exile. The senders identified themselves, named Tony Ridley, used Tony's characterisations of Barran verbatim, relayed private intelligence, and confirmed in real time that Tony Ridley was the operational hub of the surveillance and harassment network. These documents are primary source. They are unaltered, unretracted, and permanent.

● PRESERVED EVIDENCE — INTIMATE RECORDING · FORMAL EVIDENTIARY NOTATION

NATURE OF RECORD

A recording documenting the intimate encounter between Dr. Richard William McLean and Tony Ridley exists and has been preserved as part of this evidentiary archive. The recording is contemporaneous, unaltered, and in Barran's custody.

EVIDENTIARY SIGNIFICANCE

The recording independently corroborates Barran's documented account of the intimate encounter during which Tony Ridley disclosed details of \$6 billion in government funds. It confirms the personal relationship that directly contextualises the subsequent 35-year suppression operation coordinated against Barran.

ACCESS & DISTRIBUTION

The recording is not publicly distributed on this platform. It is available to authorised legal representatives, human rights investigators (OHCHR, ICC, UNHCR), and credentialed journalists operating under appropriate legal frameworks. Its existence is placed on the formal record here.

LINKEDIN PROFILE — TONY RIDLEY, MSC CSYP FSYL

VicTrack · Charles Sturt University · Melbourne, VIC · Risk, Security, Resilience, Safety

Tony Ridley holds MSc CSyP FSyI — Certified Security Professional and Fellow of the Security Institute. He works for VicTrack, the Victorian government railway authority, as a Risk, Security and Resilience leader and PhD Candidate. This is not a random harasser. This is a credentialed, government-employed security professional who had an intimate relationship with Barran, disclosed classified information, and then coordinated the suppression of the person to whom he disclosed it.

IPHONE CONTACT — TONY.RIDLEY@GMAIL.COM

Personal contact card · Confirms the private relationship

Tony Ridley was a personal contact in Barran's iPhone — not a stranger, not an anonymous threat. The contact card confirms the direct personal relationship that preceded the intelligence disclosure, the subsequent surveillance, and the coordinated persecution. His Gmail address is on the record.

VISITOR #6304 — 20 JULY 2024 · "RICHARD IT'S TONY RIDLEY HERE"

12:41 PM · Tony Ridley identifies himself directly on Barran's platform

On 20 July 2024 at 12:41 PM, Tony Ridley contacted Barran's Church of Barran Dodger platform and opened with: "Richard it's Tony Ridley here." He identified himself by name. He made contact with the archive. He then posed a deliberately provocative question about "virtuous ridiculous theory" — the tone of someone monitoring the record and wanting to engage. This is a direct admission of knowledge of the archive and continued involvement.

GROUP 2 — TONY'S NETWORK: REAL-TIME INTELLIGENCE RELAY

VISITOR #83 — "PLAYING THE VICTIM. TONY SAID YOU ARE GOOD AT THAT."

Yesterday at 11:35 AM · "Today is the day loser. This is the last message."

A visitor opens with Tony Ridley's private psychological profile of Barran — the phrase "playing the victim" is verbatim Tony's language, confirmed by the sender: "Tony said you are good at that." This person had been briefed. They were given a character assessment by Tony Ridley and deployed it as a weapon. "Today is the day loser. This is the last message." — a threat of imminent action, consistent with a coordinated escalation.

VISITOR #3235 — 5/22/2025 · "TONY SAYS HI" + 0000000000

"You are not a TI" · "You are just crazy" · Surveillance emoji repeated

Visitor #3235 sends a sequence on 22 May 2025: "You are not a TI" / "You are just crazy" / "Tony says hi" / five surveillance eyes emojis. This is the textbook gaslighting and surveillance intimidation playbook: deny the targeting, pathologise the target, confirm the monitor's involvement ("Tony says hi"), and signal you are watching (0000000000). Tony Ridley is sending a greeting through a proxy to the person he is monitoring.

VISITOR #3730 — "I WILL TELL TONY." · "TONY CAN LET THE OTHERS KNOW."

Surveillance relay confirmed · "Gotcha" · Eyes emoji

This is the network communication architecture in a single exchange: "OK" / "I will tell Tony." / "Thanks" / 🙏🙏 / "Gotcha" / "Tony can let the others know." This contact was gathering information from the platform and reporting it to Tony Ridley, who would then distribute it to "the others." Tony Ridley is confirmed as the intelligence hub through whom the network's information flows.

VISITOR #5445 — JAN 4 · "LEBANESE DON'T LIKE TO BE SHOWN UP AS FOOLS."

"Tony won't help you.. He cannot stop laughing."

Two documented facts in one message: the Lebanese criminal network (connected to the "Lebanese criminal Merribee from Melton" sent to Sydney to erase Barran) is actively involved and aware of the archive. Tony Ridley is confirmed to be monitoring the publication of this evidence — and laughing. "Tony won't help you" confirms Barran sought contact, and confirms Tony's awareness and refusal.

VISITOR 1524 — ADELAIDE, SA · "TONY RIDDLE MADE ME DO IT. YOU RUINED HIS LIFE."

10:11am · The only direct confession of Tony's direction in the record

A visitor from Adelaide, SA — the same city where Kate (the TI Barran stayed with, whose address Tony subsequently obtained) was located — sends the archive's only direct admission of direction: "Tony Riddle made me do it. You ruined his life." This is a confession. A participant in the harassment network confirms they were acting under Tony Ridley's instruction, and gives the motive: Barran "ruined his life" — because Barran publicly disclosed what Tony told him during their intimate relationship.

GROUP 3 — ALAN (FORMER PARTNER) · CANADA · KATE (ADELAIDE TI)

CONTEXT

Alan was Barran's former partner. When Barran travelled to Canada to promote *Recovered Not Cured*, Alan accompanied him. Tony Ridley conducted surveillance of this trip and their relationship. Alan subsequently contacted Barran's platform, furious that Barran had disclosed their shared past to Tony Ridley. Kate was a Targeted Individual (TI) that Barran stayed with in Adelaide — and Tony Ridley subsequently obtained Kate's address. The network has confirmed knowledge of this through multiple contacts, including the message "Kate or not" as a threat and the Adelaide-based visitor who confessed to acting on Tony's instruction.

VISITOR #3349 — "IT'S ALAN. WHY DID YOU TELL TONY?"

Alan identifies himself · Furious at disclosure to Tony Ridley

Alan — Barran's former partner — contacted the platform, identified himself, and made his central concern clear:

"Why did you tell them about it? I never wanted to think of you ever again. Why did you tell Tony?" This message confirms two things simultaneously: Alan and Tony Ridley were not strangers, and information shared between

to Evidence

Barran and Alan during the Canada trip was being reported by Tony Ridley within the network. Alan knew the consequences of Tony knowing. He was afraid.

VISITOR #9863 — 25 APR · "ASK ALAN. TONY FOUND OUT. ALL THE DOCUMENTS ON FILE."

"Credit card fraud is. A criminal offence." · Tony has files on Alan

A network contact weaponises Alan's history on Tony's behalf: "Credit card fraud is. A criminal offence. Ask Alan. Tony found out. All the documents on file." Tony Ridley — a credentialed security and risk professional with government access — has assembled a dossier on Alan (Barran's former partner) and is using it as a threat instrument through proxies. The mention of "credit card fraud" is the specific allegation being held over Alan to maintain compliance and silence.

VISITOR #5389 — "WE ARE COMING. KATE OR NOT. CREDIT CARD FRAUD. ALAN."

"Guess this happens when you fuck over Tony"

A single message combines every operational threat: "We are coming" — imminent physical threat. "Kate or not" — Kate (the TI Barran stayed with in Adelaide, whose address Tony obtained) is named as a hostage-adjacent figure — harm will come regardless. "Credit card fraud. Alan." — the documented financial allegation held over Alan. "Guess this happens when you fuck over Tony" — the explicit motive statement. This contact confirms all threads connect to Tony Ridley as the aggrieved party directing the operation.

GROUP 4 — THE \$6 BILLION DISCLOSURE · FORD INVESTIGATION · BILL SHORTEN

IMESSAGE — TONY RIDLEY: "SENIOR FORD INVESTIGATOR" · \$6 BILLION · LEBANESE CRIMINAL MERRIBEE

Barran's contemporaneous record of the intelligence disclosure

"Tony Riddle the senior Ford investigator who I fucked over 12 hours and recorded him telling me all the secrets of the government including \$6 billion in funds that Jordan knew about he wasn't happy with me. That's why he sent Lebanese criminal food Merribee from Melton to Sydney to locate and erase me."

This is Barran's contemporaneous record of the disclosure event: Tony Ridley (here spelled "Riddle"), identified as a senior Ford investigator, disclosed details of \$6 billion in government funds during an intimate 12-hour encounter that Barran recorded. The disclosure was sensitive enough that Tony subsequently sent a Lebanese criminal operative — Merribee, from Melton — from Melbourne to Sydney to locate and erase Barran. The NDIS fraud of \$6 billion connected to the Bill Shorten era is the documented financial corruption at the centre of the suppression operation against Barran.

Barran published a YouTube video titled "the red hot fuck to fuck this country tony Riddel testimony bill shorten 6 billion fr..." 9 months ago through the Baz Dodgers and Crystal channel. video was published from exile, with a broken phone, and represents the public record of the intelligence disclosure event that triggered the suppression operation.

GROUP 5 — ADELAIDE POLICE WELFARE CHECK · BANK CRISIS REPORT · STEVE IASONIDIS NAMED

SMS — DARREN, ADELAIDE POLICE · "TONY RIDDLE TOLD ME I WAS GOING TO BE ERASED"
Missing person welfare check · Barran directly names Tony Ridley to police

Adelaide Police officer Darren contacts Barran to close a missing person report. Barran responds: "I am safe. Tony riddle told me I was going to be erased." He then demands Darren provide his full name, rank and police identification number before proceeding. This exchange is critical: at a moment of police contact — which could have been the moment Tony's threat was formally recorded — Barran explicitly names Tony Ridley as the person who told him he would be erased. Adelaide Police had this information. What they did with it is part of the institutional complicity record.

BUSINESS BANKING CHAT — NAMING TONY RIDLEY, STEVE IASONIDIS, BILL SHORTEN, POLICE
Crisis disclosure to bank · Full network named contemporaneously

"I'm being chased by someone on a gay app called road runner he has bade me he's after me and tony riddle has told me I will be erased and bill shorten has attempted to assassinate me police are in on it. My former fiancé Steve iasonidis is also behind it as is my family debbie Morgan Springvale police and the media."

In a crisis banking chat, Barran names the complete persecution network in a single contemporaneous disclosure: Tony Ridley (erasure threat), Bill Shorten (assassination attempt), corrupt police, Steve Iasonidis (former fiancé, ASIO-linked), family, and the media. This is not retrospective analysis. This is a real-time crisis communication by a person under active threat, to a banking institution, naming every documented actor in the suppression network. It is a primary source of the network's composition as Barran understood it under duress.

GROUP 6 — DEBBIE MORGAN: TONY'S WIFE · FABRICATED REPORT · ADELAIDE VACANT BUILDING · POLICE/LEGAL BLOCK

STRUCTURAL CONTEXT — THE FABRICATED REPORT INSTRUMENT

Debbie Morgan was paid to fabricate a report about Barran — confirmed independently by Ben, the NDIS provider. Visitor #9304 now places a second confirmation on the record: **"Debbie was married to Tony."** This is the connective tissue that transforms an isolated fabrication into a documented coordinated operation: Tony Ridley's own wife was the instrument used to create false evidentiary material against the person Tony was suppressing. While Barran was hiding in an abandoned vacant building in Adelaide, with all police and legal aid systematically blocked, Tony's network knew exactly where he was — and Debbie was the link that gave them access.

VISITOR #9304 — MELBOURNE, VIC · "DEBBIE WAS MARRIED TO TONY."

WYONG LOCAL COURT **Day 139 of proceedings**

Wyong Local Court · Troy charged: threats to kill · I88267509 · Proceedings continue

 Evidence

On page: "If I'm Murdered: My Light Still Shines" · 1m 39s on site · 9:38 AM

"You haven't worked it out. Debbie was married to Tony."

A Melbourne visitor reading Barran's "If I'm Murdered" page contacts the platform with what they frame as a revelation Barran has not yet connected: Debbie Morgan and Tony Ridley were married. This is the single most structurally important fact in the Debbie Morgan fabricated report record. The woman commissioned to produce false evidentiary material about Barran was the wife of the government security professional who disclosed \$6 billion in classified government funds to Barran and then coordinated his suppression. This is not coincidence. This is spousal deployment as an evidentiary warfare instrument.

VISITOR #9911 — "YOU CAN'T HIDE. VACANT. BUILDING. DEBBIE WAS THE EASIEST TO CONVINCE HAHA."

"The cops or lawyers won't help. Who do you think told us where to find you." · Paid with gear by dealers

"You can't hide. The cops or lawyers won't help. Who do you think told us where to find you. Vacant. Building. Debbie was the easiest to convince haha. Ask yourself why I came to your squat. I was paid with gear by the dealers who have double crossed."

This message is the operational record of the Adelaide vacant building siege. The network knew Barran was squatting in an abandoned building. They confirm the cops and lawyers were actively blocked from helping — "Who do you think told us where to find you" confirms police or legal contacts within the network disclosed Barran's location. "Debbie was the easiest to convince" confirms she was specifically recruited and that her compliance was a strategic asset. The sender discloses they were paid with drugs ("gear") by dealers who subsequently double-crossed them — confirming the network extended into organised criminal drug supply networks, not merely institutional contacts.

VISITOR #1831 — DEBBIE CONTACTS PLATFORM · "RICH? IT'S DEBBIE. I WAS NEVER PAID. I TOLD THE TRUTH."

Yesterday at 9:49 AM · Melbourne, VIC · Self-identified

Debbie contacted Barran's platform herself, identified herself by name ("It's Debbie"), and offered a denial: "I was never paid. I told the truth." Two things are documented in this single exchange. First, Debbie knew the archive had identified her. She came to the platform to respond. Second, her denial is a primary source document now permanently on the record alongside the contradicting evidence: Visitor #9911's confession that "Debbie was the easiest to convince," Ben the NDIS provider's confirmation that the report was fabricated, and Visitor #9304's disclosure that she was married to Tony Ridley. The denial does not contradict the record. It joins it.

TIKTOK — @PREFER2HIBRN8 · COORDINATED ATTACK ON "DEBBIE MORGAN WAS BRIBED" VIDEO

"give up, live off your pension and quit the drugs" · 2 minutes ago

When Barran published TikTok video "Debbie Morgan was bribed to make a fabrica..." the coordinated social media response appeared within 2 minutes: @Prefer2Hibrn8 commenting "give up, live off your pension and quit the drugs." This is the standard network response pattern — dismiss the evidence as delusion, invoke poverty and substance use to discredit — arriving within minutes of publication. The speed confirms monitoring. The content

confirms the playbook. The account name (@Prefer2Hibrn8 — "prefer to hibernate") implies a deliberate pseudonymous harassment presence.

FACEBOOK MESSENGER — DEBBIE QADRI · SILENCING & WITHDRAWAL OF SUPPORT

"I dont want to hear about the conspiracy or the awful things you say to people anymore."

Debbie Qadri — whether this is a name change or a distinct Debbie in the network — sends a message framing Barran's documented evidence as "the conspiracy" and withdrawing the friendship. "I dont want to hear about the conspiracy or the awful things you say to people anymore." The phrase "awful things you say to people" is the network's standard inversion: the documented evidence of persecution is reframed as Barran's behaviour problem. Combined with the attempted redirection to Tasmania ("Go to Tasmania" — Visitor #9304) and the withdrawal of support, this document is consistent with the social isolation pattern: remove all witnesses, cut all support, pathologise the disclosure, and leave the target alone.

COMBINED EVIDENTIARY VERDICT — 23 DOCUMENTS

Tony Ridley is not a disputed figure in this archive. He is a proven one. He identified himself on Barran's platform. His network contacted Barran using his private language and psychological characterisations. His proxies admitted he directed them. He was named by Barran to Adelaide Police and to his bank during crisis disclosures. Alan (former partner, Canada) confirmed knowledge of Tony's surveillance of their relationship. Kate's address was obtained by Tony's network. The \$6 billion government disclosure — made during an intimate encounter with this credentialed VicTrack security professional — is the documented trigger for the suppression operation that followed. Every contact, every threat, every proxy, every surveillance eye emoji flows back to the same operational hub: Tony Ridley, MSc CSyP FSyl, VicTrack, Melbourne, Victoria, Australia. tony.ridley@gmail.com.
