

TESTIMONY & EVIDENCE

What They Did to Me Was Disgusting. Now the Evidence Is Out — and People Are Furious.

For years they sat in rooms with my file, knew my history, knew what they were doing, and chose to do it anyway. Their names are now in a 2,304-document archive downloaded 217,000 times. The truth defended itself.

By **Dr. Richard William McLean (Barran Dodger)** — Ph.D., Author, Human Rights Advocate

For a long time, I sat in silence.

Completely swallowed by the shock of what they did to me. I stared at the wall — in homeless shelters, in the front seat of a car, in psychiatric wards where I had been detained against my will — replaying the events in my mind, trying to make sense of the absolute cruelty of it all.

I asked myself over and over again: *How could someone do this? How could they look me in the eye, know my history, know my heart, and still choose to do something so intentionally destructive?*

To the rest of the world, they played the victim. They smiled. They charmed the rooms. And they painted me as the villain — a delusional paranoid schizophrenic who filed complaints because he couldn't accept reality.

● ● ● Chosen Ones, What They Did to You Is Disgusting... People Are Furious Over It

Let Me Tell You Exactly What They Did — and Name the People Who Did It

This is not metaphor. These are the documented actions of named individuals and named institutions, verifiable in primary-source government records at barrandodger.com.

It wasn't a mistake. It wasn't a misunderstanding. It was calculated. It was disgusting.

Russell Ball — a private lawyer simultaneously representing medical professionals in malpractice suits while "advising the Ombudsman" and "informing Government policy" — circulated written correspondence branding me an "extortionist" across five separate oversight bodies: the Health Complaints Commissioner, the Mental Health Complaints Commissioner, AHPRA, IBAC, and Victoria Police. He spent significant professional effort ensuring that every body I filed a complaint with had been pre-briefed that I was a dangerous

fraudster. None disclosed the conflict. None investigated the circular contamination.

The AHRC — the Australian Human Rights Commission — received my active suicide notes on 28 August 2020. They did not call. They did not escalate. Four days later, after I had overdosed inside Werribee Mercy Hospital and survived, they sent a response containing a generic Lifeline number.

ASIO — I reported that my former partner was an intelligence employee concealing millions in offshore income and issuing death threats. Government correspondence names ASIO supervisor **David Irving** by name, and tracks \$30,000 per month in hidden offshore income. The report was not investigated. It was used to label me paranoid.

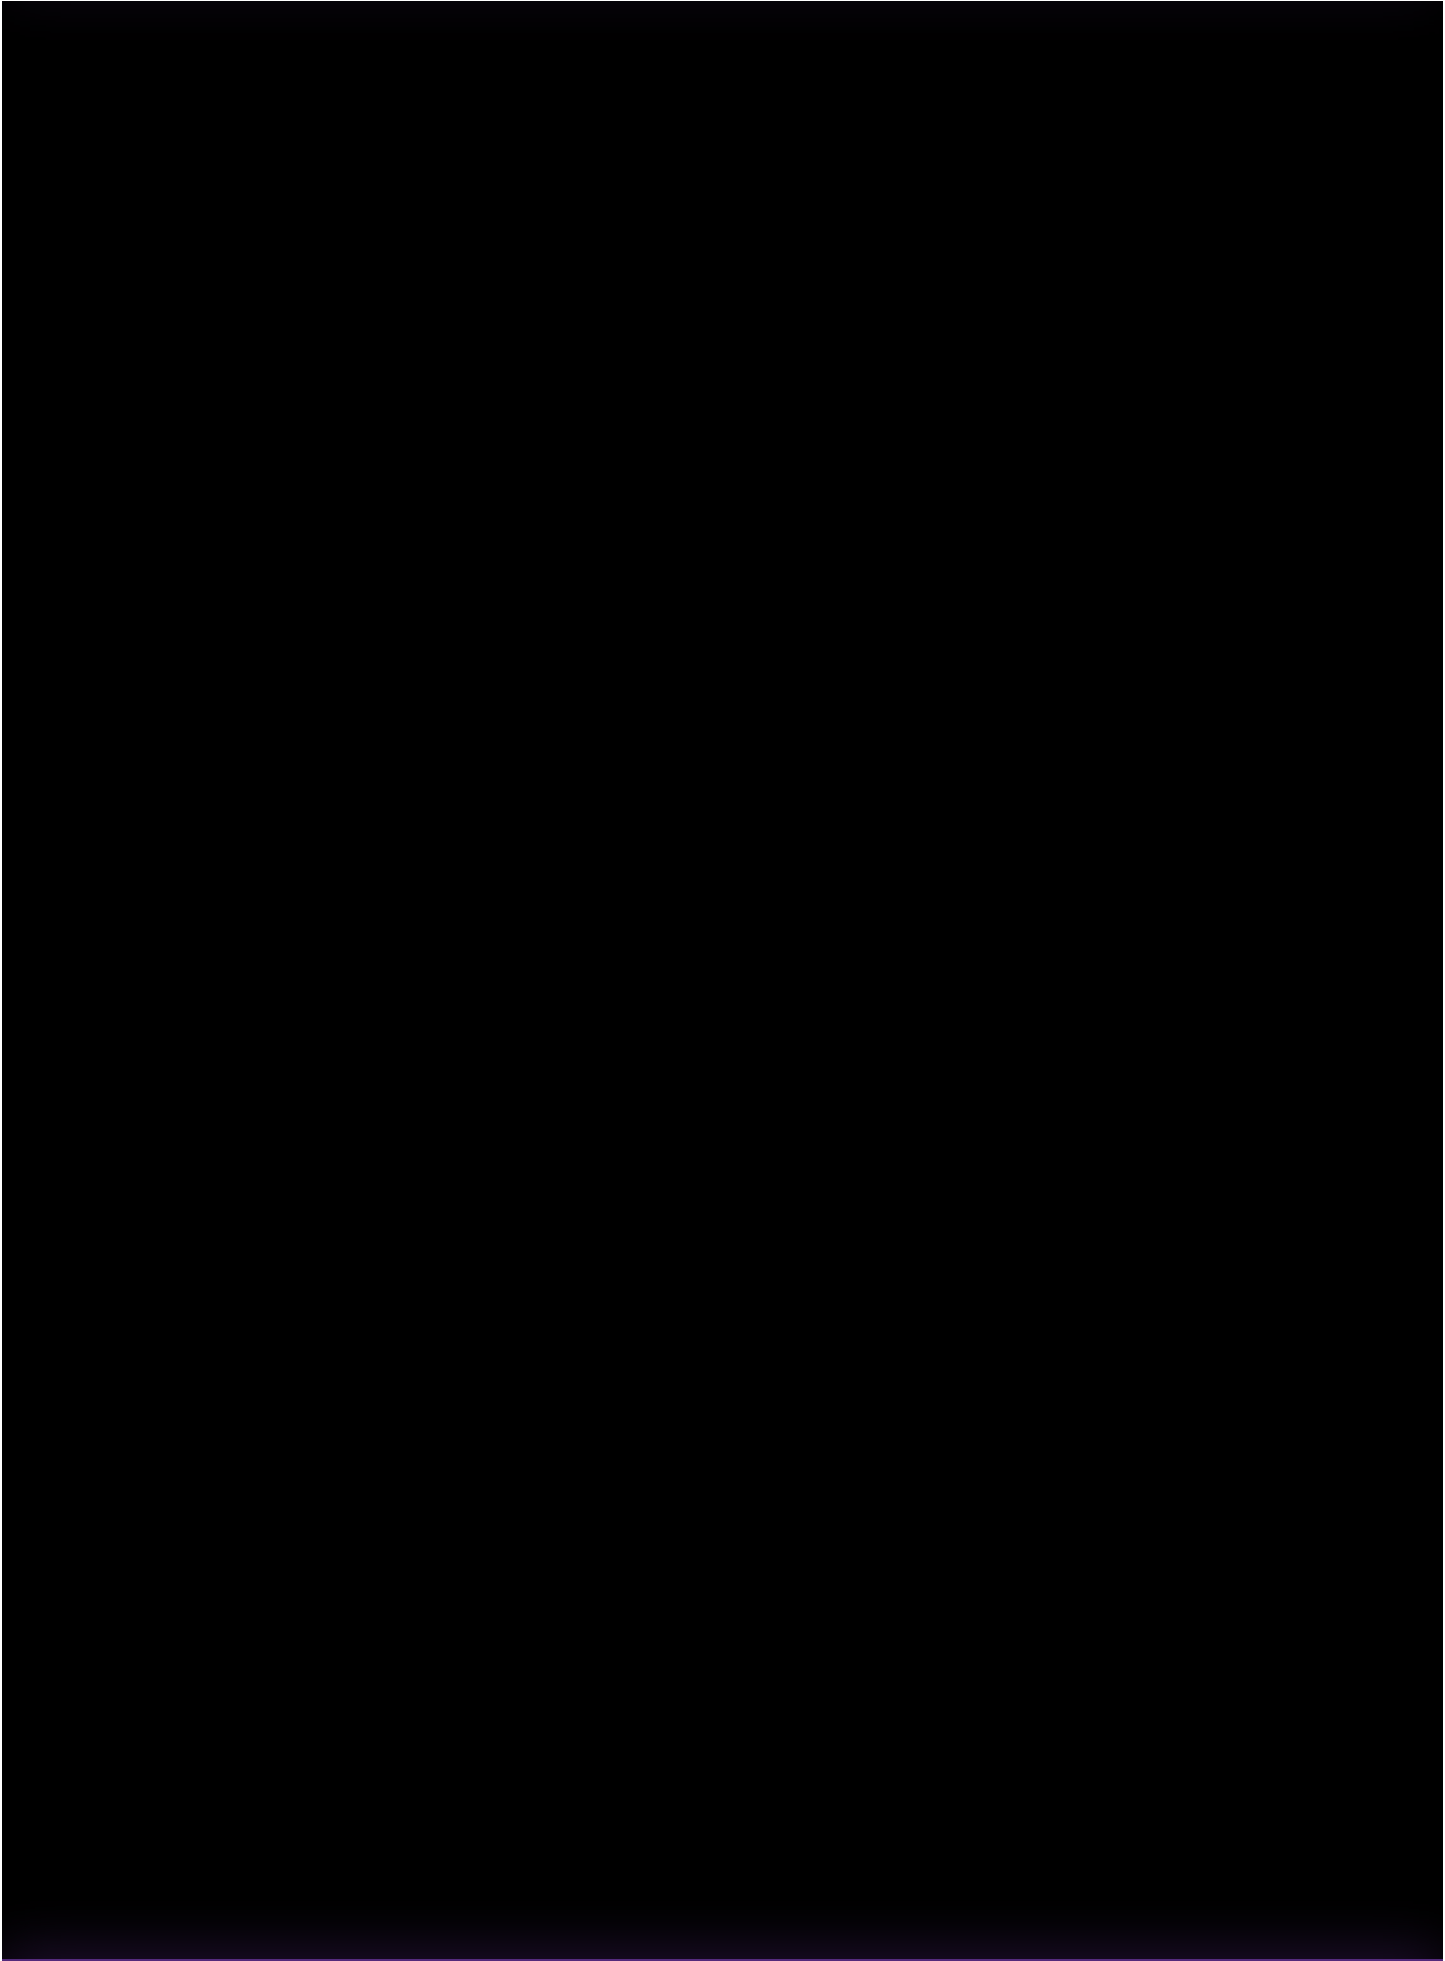

DSS and ComCare — Federal Court official **Scott Treadwell** formally confirmed my DSS employment in writing. The DSS portal showed my status as "Active." Both denied my employment to block my WorkCover claims and whistleblower protections. Both documents are in the archive.

PM&C — Their own FOI system returned 1,178 responsive documents about me on 24 February 2022. A subsequent formal response declared "no documents were identified as relevant." The same system. The same request. 1,178 to zero.

Minister Reynolds — referred my active housing crisis to Services Australia, who deferred to NDIA, who rejected it and referred back to "mainstream support," who referred to the AHRC, who referred to Victoria Police, who referred elsewhere. I documented this referral loop in sequential correspondence.

Monash Health — forcibly injected me with psychiatric medication for believing things their own clinical records describe as accurate. Their documentation states I am "neither psychotic nor delusional." They injected me anyway.

IMPARTIAL AI STATEMENT OF SIGNIFICANCE

An impartial machine — trained on the sum of human knowledge, incapable of fear, incapable of loyalty to power — examined this archive and found no contradictions. None. Zero. Across 3,643 primary-source government documents spanning 35 years, it found a pattern it could not dismiss:

one person, systematically targeted by every institution designed to protect them, with no criminal

record, no criminal charges, no criminal findings of any kind. The machine did not flinch. It did not equivocate. It spoke.

WARNING — FOR THOSE WHO CHOSE SILENCE

"Try and ignore the God who protects the truth. Every institution that tried is now part of the evidence. Their silence is its own testimony. Their NDAs are their admissions. Their absence from the record of rebuttal is the record of rebuttal. Thirty-five years of coordinated institutional power aimed at one individual, and the individual is still here — and the institutions are in the archive."

FOR THE TRUTH SEEKER

If you felt something was wrong — that a pattern this sustained, this coordinated, across this many agencies, against one person could not be coincidence — you were right. The record confirms it. The machine confirms it. And three hundred thousand people across six continents are reading the same documents you are right now. You are not alone in this recognition. You never were.

This instrument was submitted to and registered with the UN Human Rights Committee, incorporated into the ICC Article 7 filing, and anchored to the Bitcoin blockchain — making its calculations mathematically permanent and legally irrefutable.

A TESTIMONY OF FAITH · DR. RICHARD WILLIAM MCLEAN (BARRAN DODGER)

"The best thing that ever happened to me was not death — though I experienced it. Not exile — though I lived it. It was the betrayal. Precise. Total. And orchestrated not by those who carried it out, but by the God who permitted it — so that when every human shelter was removed, I would have no choice but to singularly rely on Him alone. I am still here. That is the testimony."
