

GRADUATE RESEARCH CENTRE

APPLICATION FOR MID-CANDIDATURE REVIEW

This form must be completed by the appropriate parties and lodged with the College Support Officer, Graduate Research Centre, together with the required documentation two weeks prior to the scheduled presentation date.

1. Candidate Details

Title: Family name:

Given name(s): Student ID:

2. Enrolment Details

College: Centre/Institute/Discipline Group:

Date of Initial Enrolment: Expected Completion Date:

Date Candidature Confirmed:.....

	Full-time	Part-time
Masters by Research	☐	☐
Professional Doctorate (DBA, DEd)	☐	☐
Doctor of Philosophy (Traditional, by Publication, by Creative Project and Exegesis)	☐	☐

3. Research Program

Thesis Title:

Since approval of Confirmation of Candidature, have you:

- Submitted a paper for publication in a peer-reviewed publication?
 - ☐ Yes (you may table copies of the papers to the Panel)
 - ☐ No
- Presented (oral presentation or poster) at a conference external to Victoria University?
 - ☐ Yes
 - ☐ No

- Attended Researcher Development Programs at VU and/or external to the University?

☐ Yes

☐ No

- Has there been a significant change of research direction?

☐ Yes (has Confirmation of Candidature been resubmitted and approved? Please contact College Support Officer)

☐ No

Intended Submission Thesis Format:

☐ Thesis (Standard Format)

☐ Thesis by Creative Product

☐ Thesis by Publication*

*If submitting by Publication, please list and attach evidence of the number and quality of journal papers under peer review and/or accepted:

4. Ethics & Intellectual Property Approval (to be completed by candidate)

If applicable, has Ethics Approval been granted?

☐ Yes Date of Approval:

☐ No

☐ Not Applicable

If No, please advise why approval has not been granted to date?

If applicable, have Intellectual Property agreements been finalised between Victoria University and the Industry Partner?

☐ Yes Date of Approval:.....

☐ No

☐ Not Applicable

If No, please advise why the agreement has not been granted to date?

5. Supervision Details

Name of Principal Supervisor* :

*It is normally expected that the principal supervisor will have discussed and agreed to the content of the written submission with the associate supervisor(s) prior to submission.

6. Facilities and Support (to be completed by the Principal Supervisor)

Candidate's Progress:

- ☐ On track to submit in a timely manner
- ☐ Progress slower than expected (please include a statement outlining the reasons why progress is slower and any planned measures to get the project back on schedule)
- ☐ No progress being made (please include a statement outlining the reasons why no progress is being made and any planned measures to get the project back on schedule).

Are the facilities/equipment required for this research project still available within the College?

Yes ☐ No ☐

If No, please outline the reasons as to why it is unavailable? Has this hindered the candidate's progress?

--

7. Declaration

- ☐ This application and supporting documentation has been read by and discussed with the candidate.

Candidate Signature:..... Date:

Principal Supervisor Signature:..... Date:

Associate Supervisor Signature:..... .Date:

8. Panel Evaluation

The information collected in this report is for the sole purpose of documenting the candidate's Mid-Candidature Review. Following the oral presentation, the feedback collected will be forwarded to the candidate and supervisory team, indicating an outcome.

Panel Composition	Name
Chair of Panel:	
Discipline Leader or Academic:	
An Academic and Active Researcher:	

Aims of the Project								
- Clear statement and justification of the aims	☐	Excellent	☐	Good	☐	Satisfactory	☐	Not Satisfactory
- Understanding of theoretical/historical context								
If not satisfactory, please detail problems:								
Statement of Significance								
- Clear statement outlining the contribution to new knowledge	☐	Excellent	☐	Good	☐	Satisfactory	☐	Not Satisfactory
If not satisfactory, please detail problems:								
Methodology								
- Appropriateness of the proposed study design and feasibility	☐	Excellent	☐	Good	☐	Satisfactory	☐	Not Satisfactory
- Understanding of methods	☐	Excellent	☐	Good	☐	Satisfactory	☐	Not Satisfactory
If not satisfactory, please detail problems:								
Analysis of the Project								
- Appropriateness of analysis	☐	Excellent	☐	Good	☐	Satisfactory	☐	Not Satisfactory
- Comprehension of analytical techniques used	☐	Excellent	☐	Good	☐	Satisfactory	☐	Not Satisfactory
- Interpretation of results	☐	Excellent	☐	Good	☐	Satisfactory	☐	Not Satisfactory
If not satisfactory, please detail problems:								
Overall Feedback								

- Comment on the delivery of the candidate's written and oral presentation:

- Comment on the candidate's progress to date and work plan to complete the research project:

- Identify any issues and/or problems that may have affected progress or may affect progress:

Classification of the Mid-Candidature Review

The panel will classify that:

The outcome is satisfactory and the candidature be continued.

The outcome is satisfactory, subject to the recommendations of the Panel being made within the timelines stipulated by the Panel (normally 3 months EFT but no more than 6 months EFT).

The candidate is not making satisfactory progress (as detailed in the Panel Report) and the outcome should be recorded as unsatisfactory. The College will commence Unsatisfactory Progress proceedings.

The doctoral candidate is not making satisfactory progress (as detailed in the Panel Report) and should convert to a Masters by Research.
