Dear ,

Richard McLean DOB: 08/04/73
2 McCubbin Street, FOOTSCRAY VIC 3011
Ph: 0400 639 248 Mob: 0400 639 248
Medicare No: 3329876176 / 1

Thank you for seeing Richard. He had been seeing Dr David Horgan in the past, see letters. He is keen to find a new psychiatrist for ongoing care. In recent years Richard has completed a PhD and has been in remission in regard to his Schizophrenia for many years. He recently had a brief admission, see discharge summary, at which time his ADHD treatment was ceased. Richard is keen to restart this under psychiatric supervision as he feels it is one of the reasons he has done so well in recent years. Thanks for your help
