Dear Virgin Money

Account: 122-788 810509078

I am a Government scapegoat.

I can't go to police, can't get a lawyer and a rejected whistleblower.

My situation is dire as I have not enough for food and rent.

But there is a way out! It is worth Virgin Money to investigate because I will invest the 3-500000 in your bank.

My work cover was never paid from Jan 2021 on account of I am not an 'employee' for the purposes of the SRC act - and comcare rejected me.

PaulFowler was the guy that rejected me - and he was the old boss at worse - who passed me onto comcare - where I am banned. But thats another story.

Its now at the AAT - and the delay deny defer is driving me crazy.

If I fail, I can appeal at the Federal Court of Australia.

But I already have a rejected whistleblower document from the federal court stating they are satisfied I was an employee of DSS.

So I dont know why it is my payments are held up.

I have attached that evidence.

Also in my oppression is HCF my insurer not paying my income assist because they say my illness was prior existing - but here is a medical report from Dr Richard Moore saying it was never an issue - thats worth \$75000. But HCF has now banned me from contacting them.

If Virgin Money can please investigate this - or find me legal help who can assist - and I am sure you have those - I will be a wealthy man and I will invest the money in your bank.

I am also banned from AFCA as a democratic citizen of the country. (Evidence attached)

My business www.richmclean.com.au was also maliciously destroyed and my ABN cancelled. (Evidence attached)

I have attached the federal courts statement. (Evidence attached).

I have written to Danny Pearson work cover minister regarding the legislation saying this issue is his responsibility. (Attached).

The Ombudsman doesn't want anything to do with it and rejected my complaint and public interest disclosure. (Evidence attached).

In addition the office of prime minister will not release my FOI.

I used to be an advocate intros country and worked helping people for 30years and have spoken from Dubbo to Parliament House Sydney melbourne Canberra to Montreal.

I am asking for your help to resolve this matter and I will invest the money in your bank.

The work cover is most likely a total permanent disability now because I suicided from the financial abuse (another cover up) but I lived - worth 3-500000. In addition with the HCF issue is \$75000. Thats over half a million dollars.

I urgently need virgin Moneys assistance.

I have CC my power of attorney Suellen Green and my NDIS support worker Imran - who sadly I cannot pay rent to as a scapegoat.

Can you please get back to me as a matter of urgency?

Regards

Dr Rich Mclean alias Dr Barran Dodger.
